Dear Barbara,

Thank you for your letter regarding Sampson Bobo. I am enclosing a copy from the archives in the FAMILY HISTORY LIBRARY. I had no idea when I made my submission that this would superceed archival material. I tried to correct this on the computer in Salt Lake city last year, but was unsuccessful, although I had taken the Advanced PAF Course. My instructor advised that I write a letter regarding this mistake. I have not done this yet!

I am also enclosing the first three pages of a chapter I wrote on BOBO for my family history. Perhaps this will explain how I came to accept Louise Bobo Moseley Heaton's version of the first Bobos in America.

Since reading Alex Shoumatoff's article on the MOUNTAIN OF NAMES in the 13 May 1985 NEW YORKER magazine, I have done fairly steady research at the LIBRARY, for I have a residence in Park City, Utah and spend what time I can when not skiing. My wife has been ill the past two years and I have done very little work on my family history, hence am rather lax in making this correction regarding Sampson. If you care to, please make the change yourself, or if you make a corrected submission on your line, I would think it would correct this birthplace. If you have any further information on this family before they embarked for America, please share it with me. If you have PAF installed on your computer, I could send you my data disk to combine or add to your data. The handwritten numbers on the copy from the archives refer to RIN numbers I used on my data disk. The BOBO pages are proofs, and double spaced for correction. I have not proof read these pages.

Do you know of either Mrs. Boyd W. Bobo or Althea W. Herring as sited on the archive record ? I have never looked them up. It might prove interesting.

Sincerely,

Edwin

B O B O

Louise Bobo Moseley Heaton, my second cousin one generation removed, has probably done the most authoritative research on the Bobo line of my family. Cousin **Louise** enticed quite a few children of my generation into joining the Children of the American Revolution. She did the research required, made the applications, and ruled over our chapter, conducting meetings, arranging pageants, plays and parties to keep up our interest which was marginal at best. The Moseleys and the Heatons lived across the street from my grandparents and each generation remained closely associated. My grandmother was a first cousin of Louise's mother; in fact, Louise's grandfather and my first great grand uncle, **Alexander Kerr Boyce** Bobo, was legal guardian for my grandmother and her siblings after the death of her parents. His wife, Aunt Lou (**Louisa Eleanor** Bobo) took these children into her home on the old road to Lyon and raised them with her own four surviving children. It is through this relationship that I best know the Bobo family; our common ancestor is Dr. **William Johnson** Bobo who is my 2nd great-grandfather. Before Cousin **Louise** retired from public life, she gave each of her protégés the original records she used for our applications. These files

are with my genealogical *Paper Files.*

Cousin **Louise** taught us (and most of the Bobos in this area believe) that three brothers, **Spencer**, **Sampson** and **Lewis** Bobo came to America from La Rochelle, Poitou, France in the mid-eighteenth century. Records in the Family History Library entered by other Bobos state that **Spencer** was the father and was born in 1710 in Fourneis, Aubrac, France. His son, **Lewis**, was born in 1736, and another son, **Sampson** was born in 1738. This seems more likely, for they were Huguenots and came to this country to escape persecution, settling in Caroline County, Virginia. **Sampson** married **Sara Simpson** of Culpeper County, Virginia in 1771. They established a home here and the first five of their children were born here. **Sampson** was my 4th great-grandfather and it is from him that my family and the Bobos in this area are descended. There are many records concerning the Bobos in The Carnegie Library in Clarksdale, as well as in most genealogical libraries throughout the country; in fact, there is a book in the Family History Library entitled: "*Need a Cousin? Pick a Bobo from South Carolina.*" They were a prolific family.

There is a copy of a Royal Grant in my files dated 1 April, 1772 which conveys to **Sampson** a parcel of land in Craven County, (now known as Georgetown County) South Carolina. This family seems to have settled in Union County, South Carolina about 1772, for, starting with **William**, he and the following nine children were born there - fifteen children in all born to **Sampson** and **Sara**! The will of **Sara** is filed in Box 4, Package 16, Probate Judge's Office of Spartanburg County, South Carolina. There is a copy in my genea-

logical *Paper Files*. I am descended from the first son, **Burwell**, born 13 April 1763 in Culpeper County, Virginia; and the eighth child, **Barham**, born 28 March 1776 in Union County, South Carolina at or near Cross Keys where he later built a fine old house which was to become the ancestral home called "Cross Keys". **Burwell** and **Barham** are my 3rd great-grandfathers.

Barham married **Frances Ann Woodson** and their ten children were born at "Cross Keys". After **Barham's** death 20 August 1829, **Frances**, came with her children who were still at home, to Panola County, Mississippi. [**Barham's** will is filed in Box 20, Package 26, 1829, Probate Judge's Office of Spartanburg, South Carolina; the will of **Frances** is filed in Will Book A, page 277, Panola County Court House, Sardis, Mississippi. See copies in my genealogical *Paper Files*.]

In November of 1993 I visited Fredonia Church and Cemetery, located five miles east of Como, Mississippi. In 1848 Kerr Boyce and John T. Murrell gave separate deeds to six acres to the six ladies who served as trustees of Fredonia Church. **Frances** was a trustee and her name apears on a bronze plaque to this effect in front of the Church, which is now on the National Register of Historic Places. The Church is in good repair and the graveyard well kept, with the monuments quite legible. The Bobo monuments are immediately behind the Church and easily recognizable.

In spite of the fact that Bobos and Boyces claim to have come to Coahoma County in 1834, it seems unlikely for the 1840 census for Coahoma does not enumerate Bobos or Boyces; the 1845 census for Panola enumer-

ates : Boyce - - (1 member of household); Boyce, J. (1); Bobo, S. A. (3); Bobo, F. W. (2); Boyce, J. (2); and Boyce, A. K. (1). Therefore it would seem that even the claim that **Spencer Absolom** Bobo had migrated to Coahoma County at this early date is invalid. However, it must be remembered that at this date Panola County was adjacent to Coahoma County; only later was Panola County divided into Panola and Quitman and a person could conceivably have had some sort of domocile in both counties. This 1850 census enumerates the families of **Frances Woodson** Bobo and **Alex Kerr Boyce** in Panola; the families of **Fincher** Bobo (Robert, age 2); James Killebrew (**Louise Eleanor** Bobo, age 1); and **Spencer A.** Bobo in Coahoma.

The above records seem to support the **Frances Ann Woodson** Bobo came to Panola County in the 1830s as described in **Frances Ann** Bobo Stricklands *"The Story of My Life"*. **Spencer Absolom** Bobo , born 4 May 1801, and **Fincher Gist** Bobo, born 28 October 1815, were two of the children who came with **Frances** to Panola County. Among the descendants of **Fincher Gist** are **Erie Elizabeth** Bobo (Betty Pearson) and **Robert Eager** Bobo.

Born 2 February 1800, **William Johnson** Bobo, my 2nd great-grandfather, had studied medicine in Pennsylvania and remained in South Carolina. He married **Margaret Lucinda Boyce** 2 June 1829 at "Cross Keys" and built a house near Sedalia, South Carolina now known as The Old Minter Home. They had twelve children, although the Family History Library records for this family indicate there were thirteen. Eight are listed as living with the family in the 1850 U.S. Census for Union County, South Carolina. Dr. **Wil-**

Dear **James Taylor**,

Thanks for your book order which I mailed yesterday. I decided to give you a modification of my ongoing research on Willis & Delilah Bobo so you can see it's stronger than just circumstantial but also weaker than saying positively.

I just completed researching and publishing my maternal line in a book entitled, *Ketchum-McCorkell Pioneers* (Oct., 1993). My Bobo history is in chapter 3 (pages 61 - 137), where my grandmother MINNIE SHERMAN KETCHUM (1875-1947) was the second wife of my grandfather, ALLEN HARGIS BOBO (1863-1950). My branch of the Bobo family migrated from Tennessee, Arkansas and then to Joplin, Missouri where my grandparents were married in 1900. My grandfather's father, **ALLEN HOLT BOBO** (1819-ca 1878) was married to SARAH ANN HARGIS (1824-1904) on 3 June 1844 in Fayette County, Tenn. You'll notice that both my grandfather and great-grandfather were recorded as Allen H. Bobo.

With limited supporting census evidence, it looks like the Braden (District 6) area in Fayette County was where my ancestors last lived in western Tenn. I'll reconstruct from previous data what I believe might be true about my great-great-grandfather's (Willis Bobo) family:

WILLIS BOBO FAMILY

WILLIS BOBO, b ca 1788[1] (Spartenburg Co.(?), SC[2]), son of [**SAMPSON** (1738-1804, a poss. Rev. 2. Several researchers have listed Willis as a younger son of Sampson & Sarah (Simpson) Bobo with an approximate birth year of "ca 1782" and born in "Spartanburg Co., SC" (Ref: McCall, Mrs. Boyd W. Bobo & Althea W. Herring).
3. Census, Braden (Dist. 6), Fayette Co., Tennessee. **1870**: Delilah Bobo 82 [b 1788], John W. Bobo 45 & Nancy P. 3; and **1880**: John W. Bobo 55 & Nannie 51 (sister). [Researched by Joy Rosser, Somerville, Tenn., 4 Dec 1992.]

7M JOHN W., b ca 1826, Lived 1850-1880 (Braden (Dist. 6), Fayette Co., TN) -- a NANCY P. (age 3 in 1880) was listed with John W. Bobo (45) and Delilah Bobo (82). [Was he married, a widower & daughter died?]

8F NANCY P. (NANNIE), b ca 1829 (age 51 in 1880 census), L 1850-1880 (Fayette Co., TN)

I've now pieced together data from three areas of the south: Spartanburg, So. Carolina; Maury & Marshall counties, central Tennessee; and Braden, Fayette County, Tennessee.

SOUTH CAROLINA

Ref: 26 June 1809 **WILLIS BOBO** ["WILLIS BOBO and his wife et al vs James Richardson et al. In Partition, On motion of Mr. Farrow, Solicitor for petitioners, and in open court and agreeing, ordered that the said tracts of land containing 300 acres known by the name of Cross Keys and the money arising from the sale to be equally divided between the said **DELILAH, SOPHIA SUSANNAH, JOHN** and **SAMUEL** according to their prayers said land to be sold on first Saturday in December next. Sold by virtue of above order to BARRAM BOBO the Cross Keys for $851. high bid."][6]

Of course I've theorized that Willis is probably the identified younger son of Sampson and Sarah Bobo of Spartanburg, South Carolina. Many researchers record Willis as a son of Sampson but have not published anything further on him.

CENTRAL TENNESSEE

A possible new cousin and descendant of Willis Bobo, Ozro F. Redding, contacted me concerning a middle-Tennessee court action that involved Elizabeth Bobo Redding and her husband, Isaac Redding in 1841. Included among the names recorded as witnesses in the trial were several names that have had particular interest to descendants of Allen Holt Bobo and two of his sons, Jim Bobo and Allen Hargis Bobo.[7] These names concern the probable family of Willis and Delilah Bobo, even though all family relationships haven't yet been designated. This article not only names many of the family members but also includes two family names that have been closely associated with the Bobo family -- Holt and Allen. We are reminded that the theorized family of Willis and Delilah Bobo has mostly been constructed from circumstantial evidence but new research continues to support this theory.

first and second degree murder.

[1.] ARMSTEAD REDDING [Eliz. & Isaac's son] says in 1842 that he was at trial when ISAAC REDDING was charged with killing his wife.

[2] **Mrs. DELILA BOBO** said BETSEY (ISAAC REDDING's wife) said ISAAC had pulled or pushed her over a chair and hurt her hip. ISAAC said it was done in play.

[3.] CHARLES ALLEN says he was at ISAAC REDDING's on the night ISAAC went for a doctor; it was almost dark and useless to go before day because he could not find his way, road hard to find, a small patch across a ridge; he did not hear ISAAC say "he wished his wife was dead and in hell" . . . never saw ISAAC treat her unkindly -- they were playful with each other; Mrs. REDDING told ALLEN she was laboring under a disease and never expected to get over it. Signed 20 Jan. 1842.

[4.] JANE C. REDDING said on 20 Jan. 1842: that she was at ISAAC REDDING's on the day his wife lay a corpse and heard women say that ISAAC had said during his wife's illness that . . . "he wished she was dead and in hell" . . . said she was present when both **Mrs. BOBO and her sister MARY** when Mrs. WILLS came to them; **Mrs. BOBO** said ISAAC came to her when she was lying on the bed, directly after his wife was laid out, in tears and stated to her he wished them to live as heretofore; never heard of ISAAC mistreating wife.

[5.] ISAAC REDDING says he never laid his hand on his wife in anger . . . **for many years after his marriage he had almost to support the BOBO family . . . they have since fallen out with him** and **this is reason Mrs. BOBO swore so hard against him** . . . wife's disease was flooding.

Aug. 1841 witnesses were Dr. JONATHAN S. HUNT, **DELILA BOBO**, Mrs. HICKS (widow), Mrs. TOMBS (wife of ANTHONY), Mrs. JONES (widow), Mrs. SARAH OWENS (wife of LOGAN OWENS), ANTHONY TOMBS, JANE MONTGOMERY, THOMAS CHEATHAM, DANIEL BALL, MARTHA JONES, Mrs. SABRA TOMBS, WILLIAM L. HOLT, DAVIS MITCHEL, JOSHUA COGGINS, WILLIAM PORTER, SAMUEL WELLS. Mrs. CAROLINE TOMBS paid as a witness. **WILLIS BOBO** on 4 Nov. 1842 **asks court to pay to ALLEN H. BOBO for "my wife"** [DELILAH BOBO] **attending court."**[9]

Since receiving the above legal abstract, I reviewed several Los Angeles genealogical libraries and came up with additional central Tennessee Bobo information.

ALLEN H. BOBO was a witness for the defense in Maury county in WELLS VS. WELLS, 1836.[10] Of particular interest to me was one witness: "WILLIAM HARGIS of Fayette Co., Tenn.: "Mrs. Wells is a sister of mine. She had lived in that county about two years, but not more than two or three months in that neighborhood. . . her children JOHN, HENRY, NANCY and PRUDENCE stayed with her at Mr. Wells . . ." Some of the children's names were common to my later Bobo line.

WILLIS BOBO was mentioned in Maury county in BRIDGES VS. BRIDGES, 1848.[11]

WILLIS BOBO was in the Marshall County 1840 U.S. Census, along with other HOLTS who were also frequently associated with the Bobo family. Finally, the following four BOBO surnames were married in Maury County.[12] What is their relationship to the Willis Bobo family?

ISAAC REDDING	to	**ELIZABETH BOBO**	22 Dec 1829
GREEN HUEY	to	SUSAN BOBO	15 Feb 1832
OWEN LOGAN	to	SARAH BOBO	20 Aug 1837
LANCASTER B. COOPER	to	MARTHA BOBO	02 Mar 1843

I don't know what relationship Elizabeth Bobo Redding may have had with Willis & Delilah Bobo, but Delilah testified at Isaac Redding's trial. Also, Willis requested the court to pay court expenses for Delilah Bobo and suggested it be paid to Allen H. Bobo. I was contacted by a Redding descendant who provided the following:

9. Letter, Ozro F. Redding (Tulsa, OK) to Robert P. Addleman (Los Angeles, CA), 31 Jan 1994. (This copy of the "State Causes" from Maury County, Tennessee was provided by another cousin to Ozro Redding.) Note: Isaac Redding's wife was Elizabeth Bobo. Was she a close relative to Willis & Delilah Bobo?

WESTERN TENNESSEE

Of course, the hypothesis that Willis Bobo was the father of Allen Holt Bobo was not clear until I had hired a few researchers to clarify that Allen Holt Bobo wasn't a descendant of Lecil, Chaney or Hiram Bobo. I had seen the name **WILLIS BOBO** in Fayette county but it didn't register until I belatedly discovered that Allen Holt Bobo and Sarah Hargus were married in Fayette county. The breakthrough came when a researcher provided enough information for it all to superficially fall into place. I then formulated a theory that Willis and Delilah were probably the parents of Allen Holt Bobo which was initially based upon location and naming patterns of previous and future children. Of course, this is only a 'working hypothesis' and much more data needs to be researched to prove this circumstantial connection.

Only the heads-of-household were listed by name or initial prior to the 1850 census. Since Allen Holt Bobo was married 3 June 1846 in Fayette County, Tennessee, he of course wasn't listed by name until the 1850 census. Researcher Joy Rosser identified **District 6** or **Braden**, as the location in Fayette county where Willis and Delilah Bobo lived. **WILLIS BOBO** was identified in the 1850 census, along with his wife "DELILA," as living in Fayette Co., Tenn. Willis Bobo was age 62 and born in South Carolina. Delila was also age 62 and also born in South Carolina. In the 1860 census, WILLIAM [sic, prob Willis] BOBO (76) and DELIAH [sic, prob Delilah] (76) were listed, along with NUNIES [sic, prob Nannie] (22, female) and J. W. (31 male). These names were probably Willis, Delilah, Nannie and John W. Bobo. Willis is believed to have died between 1860 and 1870. In the 1870 census, DELILAH BOBO (age 82) was living with JOHN W. BOBO (age 45) and NANCY P. (age 3). In the 1880 census, JOHN W. BOBO (age 55) and NANNIE (age 51, sister) were listed.[13] also Maury Co. TN.

It was also noted that SPENCER S. BOBO and his family were in Braden from 1847 through 1870. Spencer had joined the local Masonic Fraternity 14 May 1847. In the 1870 census, SPENCER S. BOBO (52, Tailor), MARGARET (46), JOSEPHINE (24), JOHN W. (20) and MARGARET (14) were listed. Margaret J. Bobo, wife of S. S. Bobo died 10 Oct 1871 and is buried in the Somerville Cemetery. Mrs. Rosser pointed out the family was not listed in 1880. Spencer S. Bobo was married to Margaret J. Williams on 8 Oct 1840 in Maury Co., Tenn.[14] It's interesting to point out that court & tax records indicate that WILLIS BOBO, JEREMIAH BOBO, WILLIAM HOLT and JOHN HOLT all lived in Maury Co., Tenn., on or before 1818.[15] (It is believed that Willis and Jeremiah are Sampson Bobo's youngest sons and William Holt may have been the father of Delilah. Finally, Spencer S. Bobo is believed to have been an older son of Willis Bobo.)

ALLEN HOLT BOBO was in the 1850 U.S. Census, 1st Civil District, Shelby County, **Tennessee** which was recorded on 22 October 1850. It showed him and his family at dwelling number 758. "Allen Bobo" was 35 years old, a male, occupation a farmer and he was born in Tenn. Sarah, his wife, was 31, female and born in Tenn. "Wm" was 4 years old, male and born in Tenn. James was 3 years old, a male and born in Tenn. (At dwelling number 757, John W. Curle (36, born in GA) and his wife, Lucinda (34, born in AL) have six children listed: Miranda 14, David 10, Edward 10, Thos 8, John 2 and Catherine Bobo 2.) Allen was also a Methodist: "A. H. BOBO attended the second quarterly meeting at Belmont" [Fayette Co., Tenn.] on 6 April 1850.[16] ALLEN HOLT BOBO was later recorded in the 1860 U.S. Census in Pennington Township, Bradley County, **Arkansas** which was taken on 30 July 1860. "Allen H. Bobo," was 41 years old, male, a Constable, with real estate valued at $3,000 and personal property valued at $1,000. He was born in Tenn. Sarah A. Bobo was 36 years old, female and born in Tenn. James Bobo was 13, male and born in Tenn. John Bobo was 6 years old and born in Ark. Nancy Bobo was 4, female and born in Ark. Samuel Bobo was 9/12, male and born in Ark. Oliver Allen was living with them at the age of 23, a farmer with a personal estate of $150, who was born in Ala.

After the Civil War, **Allen Holt Bobo**, Sarah and their family were believed to have migrated from central Arkansas to eastern Texas and then to northwestern Arkansas, in the general Fort Smith area, where he died. Allen Holt Bobo's oldest surviving son, James Spence Bobo (1847), married, had children and remained in Fort Smith, Arkansas. Allen Holt Bobo's youngest surviving son, **Allen Hargis Bobo** (1862) married twice and had children from each marriage. After the death of his first wife, Ella Frances Williamson (1870-1898), he married his second wife, Minnie Sherman Ketchum (1875), in Joplin, Missouri on 25 Sept 1900. They migrated to Reno in 1903, San Diego in 1910 and Riverside, California around 1915 where they raised a large family. My mother, **Mary Lillias Ann Bobo** (1914-1992), was the youngest of six children in the second family. Some of Allen Holt Bobo's children remained around Ft. Smith and four Bobo descendant families later migrated to southern California.

BOBO RESEARCH TRIP

Two Bobo researchers, also Bobo newsletter publishers, are planning a Bobo conference for May 15-18, 1994 in Clinton, South Carolina. They are planning a schedule that will include tours of 'historic Bobo locations' in Union and Spartanburg counties of South Carolina. Among the locations are the following: New Hope, New Prospect and Padgett's Creek Cemeteries, the Cross Keys House, the Kindred Bobo house, Foster's Tavern, Wofford College and the Union and Spartanburg County Historical Societies.

Their goal is to generate interest in early Bobo history and to clarify existing early research. Those in the west coast should contact: Charles H. Bobo (World Golf & Sightseeing Adventures), 24000 Alicia Parkway, Suite 12, Mission Viejo, CA 92691-3929 (phone 714 472-9340). Those on the east coast should contact Robert G. Bobo (phone 609 694-4860).

I hope I haven't overpowered you with too much Bobo data, but I wanted to let you see what I have. Also, it gives you a good idea of what I had to theorize my Bobo origins. ~~I would appreciate anything that you can find that might validate Willis and Delilah Bobo's family.~~ Willis

I am also enclosing a few pages out of the Bobo chapter of my recently published book. As you can see, one of my goals is to network with other Sampson Bobo researchers to see if we can more accurately list his children. As I reviewed early published Bobo research, it became more-and-more likely that many repeated existing errors. ~~You have already clarified a few things off the top on the telephone yesterday~~. I ~~would appreciate it if~~ you could send me your most correct version of the birth order of Sampson Bobo's children. I am also seeking ~~any information~~ that will assist me in continuing to validate the family of Willis and Delilah Bobo of South Carolina, south-central ~~and western Tennessee~~.

Oh yes, a very good McCorkle book was published by Rev. Louis McCorkle and copies can still be purchased: ***FROM VIKING GLORY - The McCorkle Family*** by Louis W. McCorkle, 1982 (St. Thomas Seminary, P.O. Box 858, Hannibal, MO 63401).

Yes, my uncle through my grandfather, Allen Hargis Bobo, was Otto Williamson Bobo. He was one of two surviving children from grandpa's first marriage which occurred in Arkansas. Otto's mother passed away in Joplin, Missouri. and is buried in Fairview cemetery, along with Sarah (Sallie) Ann Bobo (Allen Hargis Bobo's mother) and Nancy (Nannie Bobo) Green (grandpa's sister). Grandpa's second marriage was to my grandmother, Minnie Sherman Ketchum in Joplin, 1900. Otto first lived in the Los Angeles area befire moving to Morongo Valley after the depression (and before I was born in 1936). If you are interested, I can get you the name of a lady who edits/publishes historical booklets about the Morongo/Yucca area. Otto's son, Bill Bobo, wrote a semi-genealogical long article with pictures on his early days in the high-desert. Come to think of it, I think it's referenced in the book supplement that I included with your book. My mother's full brother, Lester Bobo now of Manti, Utah, used to live in Morongo Valley a number of years. We also homesteaded 5 acres next to his and Otto's property and still have it today.

Yours truly,

Bob

Dear Melanie,

Yes I would like a copy of the estate settlements of Sampson and Sara (Simpson) also the deed to Hiram and anything you may have on Cheney.

I agree with your interpretation on the 3 Absalons and will change my files to reflect that.

I was trying to find my G.G. Grandfather Hezekiah Taylor b MS 25 Dec 1809 and married Cynthia Ann Stoker in Claiborne MS 16 May 1833, but to date I've had no luck in finding his parents. I did find a Claiborne Co. MS Tax List of 1834 p. 105 that listed the estate of Abraham Bobo, wondering if that was Absalom instead

Thank you for all the great information and if you want any of my family groups let me know and I'll send them.

Sincerely
Jim Taylor

Dear Chuck,

I completed review of the draft manuscript of your "Bobo Family History" some time ago, and find some things that I would feel uncomfortable with, were I to be assembling such a history. I consider the compilation of material as important as this, worthy of only my sincerest thoughts and feelings.

My knowledge of the descendants of the BOBO immigrants to Ohio is derived from cousins with whom I've corresponded (many of them are now your subscribers) and "The Bobo Roots-Cellar" so I feel that the only relevant contribution that I can make is with respect to the BOBOs of Virginia (1700-1780).

One observation is the name "Bobo Family History" seems inappropriate by itself. I have records for 16 of the descendants of this Gabriel BAUBAU and Elizabeth SPENCER White in Virginia during the 1700s. Since your history attempts to trace the descendants of none of these, it would seem appropriate to clarify the title with a qualifying subtitle.

Following is a list of all of the BOBOs living in Virginia between 1700 and 1799 (References are not repeated here but are shown in Issue 3 of "The Bobo Newsletter," or can be found in the Virginia State Archives and Library in Richmond, VA) for which there is documentation. Age estimates are based on the deduction of 21 years from the earliest public record for which the age of majority was required, which was 21 years in colonial Virginia. The age of majority for the tax lists was 16.

Gabriel BAUBAU (b.ca. 1670-d.ca. 1712) - Named as an immigrant in the Nash grant (7 Nov 1700)- Further named in association with Elizabeth SPENCER White, in several other documents furnished by Jane Hall, confirming his identity as the probable progenitor of the Virginia BOBOs.

Spencer BOBO (b.before 1712-d.after 1763) - Sued by Benj. Walker in Caroline Co. in 1733. Assumed to be s/o Gabriel and Elizabeth. Described in Orange Co. court records as "old and infirm" in 1763.

Moses BOBO (b.before 1731) - Appeared as witness to a deed in Orange Co. in 1752.

John BOBO (b.before 1732) - Named in court record of Orange Co. of 1753 as living in the household of Spencer BOBO.

Mary Elizabeth BOBO (b.ca. 1731) - Married John HOLT in 1749.

Lewis BOBO (b.before 1735-d. 1805) - Granted judgement in Caroline Co. court on 10 Sep 1756.

Absolom BOBO (b.before 1740-d.before 1776) - Witnessed deed in Culpeper Co. on 8 Nov 1761.

Gabriel BOBO (b.before 1740-d. 1790) - Sued for debt in Prince William Co. court in 1761.

Spencer BOBO Jr. (b.before 1743-d. 1808) - Sued for debt in Albemarle Co. court on 15 Mar 1764.

Thomas BOBO (b.before 1766) - On personal property tax list, Pr. William Co., 1782.

Richard BOBO (b. 1751-d.after 1792) - Gives age as 41 years in Prince William Co., will of 1792.

Joseph BOBO (b. 1760-d.after 1846) - At hearing for Rev. War Pension in 1846, responds to oral questioning that he was " born in 1860" and "father died when still quite young"

Jesse BOBO (b.before 1771) - On personal property tax list, Pr. William Co., 1787, living in household of Gabriel.

William BOBO (b.before 1771) - On personal property tax list, Pr. William Co., 1787.

Henry BOBO (b.before 1773) - On personal property tax list, Pr. William Co., 1789.

Thomas BOBO Jr. (b.before 1792) - Named in the will of Richard in 1792.

There are several others who are presumed to have lived in Virginia, but do not appear in any public record. Among this group are Sampson, Sampson Jr., Burwell, Absolom (s\o Sampson) and Isreal. Your assumption is possibly correct that Isreal was the s/o Gabriel, although there is no evidence that Isreal came from Prince William County. Attempting to identify any of these people from the name of the county where their names is recorded is, in fact, of little value without specific dates of reference. The first Spencer most certainly lived on a property once granted to Elizabeth SPENCER White for the importation of settlers into the colony of Virginia, but because of the continual changing of boundaries and the formation of new counties he was recorded in Orange, Caroline and Culpeper without having moved at all. Prince William County was formed from parts of Stafford and King George Counties in 1731 which had, until then, shared a common boundary with Orange which later became Culpeper. The formation of Prince William thus resulted in its being located 20 miles northeast of Orange and 25 miles north of Caroline. It can be safely said then that all of these people probably lived within forty or fifty miles of each other.

Aside from Joseph's oral statement that he was born in Prince William Co. in 1760, the earliest record of any Bobo there is the 1782 tax list. I was not able to find anyone prior to 1731 (when Prince William was formed) in Stafford County nor was there any evidence of a Bobo in Prince William Co. prior to 1782. I would, therefore, not rule out the possibility that the Bobos had not yet started dispersing from the Caroline Co./Orange Co. area until sometime after mid century. A later document dated 11 Jan 1826, in which Jesse Boboe Jr. is granted land in Stafford Co. formerly owned by Jesse Boboe does indicate that at least Jesse had been in Stafford Co. but I have been unable to determine when he obtained posession of this property, and since I can find no further record of Jesse Sr., I suspect that this land was willed to Jesse Jr. after his father's death. The 1910 census lists a Jesse (Sr. or Jr. ?) in Wood Co., WV, just across the Ohio River from Washington Co., OH, where Garner, Henry, Isreal, Jared and Thomas had been recorded in the 1800 census.

All of this information is readily available at the Virginia State Archives and Library in Richmond. After spending a day at the Prince William County Library at Manassas it bacame obvious that there was little information there. I'm surprised that the folks at Prince William County Library did not direct you to the state archives, as they did us.

There exists among our cousins several family histories of unknown origin and date, from which many of us gleaned the details of our family's early history. I presently have five distinct versions, and with some variations there are nine. Each of these has a scenario in which two or three brothers come to America from France. The brothers Lewis, Sampson and Spencer are most frequently mentioned, although Absolom, the oldest, is not. These four, as far as can be determined, were born in the decade between 1730 and 1740. Current research has proven that Spencer, the universally accepted parent of these brothers, was in Virginia prior to the supposed arrival of his children from France. The additional uncovering of the Nash grant seems to prove, at least to many of us, that the story of the brothers arrival here is incorrect.

The purpose of our first issue, outlining the experience of the Huguenots in France, was to show that our ancestors, if they were indeed Huguenots (there has never been any proof uncovered), would probably have escaped to another country about the time of the revocation of the Edict of Nantes (18 Oct 1685).

The discovery by Jane HALL of the patent of 7 Nov 1700 identifying Gabriel BAUBAU as having been brought into the colony by one Robert NASH as well as the other records tying him to Elizabeth SPENCER White certainly leaves little doubt that these were our earliest known ancestors in America.

The most recent discovery, uncovered by Mary Jane Davis, one of our subscribers, of the village of Flornoy in the Champagne District of France. This place has been a puzzle to us for many years since it is mentioned as the origin of the BOBO family in all of the above mentioned histories. I am in the process of preparing a story for the next issue of "The Bobo Newsletter" which traces the immigration of at least one inhabitant of Flornoy to Geneva then on to Williamsburg, Virginia, in 1700. This parallel to the suspected itinerary of our ancestor(s) may just be coincidental, but is certainly worth investigating in the absence of any other clues.

On page 2-7 you state that "Jesse appears as the son of Gabriel," and later, "Joseph appears to be the son of Gabriel". While Jesse could be Gabriel's son, it is seriously doubted by most researchers that Joseph is. Joseph's own oral testimony at his pension hearing seems to rule out Gabriel as his father. It seems more

likely that they were related in some other way. Since Joseph's father died when he was "still quite young" he would most likely have been taken in by an uncle, or another of his father's relatives upon the death of his father. It must also be remembered that when Joseph was listed in Gabriel's household that he was 22 years old and at Gabriel's death in 1790, Joseph was 30 years old.

I currently suspect that Spencer and John were brothers and children of Gabriel Baubau and Elizabeth Spencer. I also suspect that Mary Elizabeth, Moses and Gabriel (?-1790) were siblings, and the children of John, and Joseph was the son of Moses (a later Gabriel, 1809-1876, named his son Moses). I was first tempted to think that Gabriel Baubau was Gabriel's father, and that is possible, but I think that he would have been nearly 80 years old and living to that age in those days would be unlikely. (Spencer, who was no more than 57 years old, is referred to in 1763 as "old and infirm.")

With respect to the frequency with which names are used in the Bobo family, I suspect that you must have made a typographical error and meant to say "least frequent" or "infrequent." The list below shows the frequency with which names are used for male given names for the more than 1200 males with the Bobo surname that I have records for, and whose names are known.

William	*72*	*Louis/Lewis*	*30*	*Sampson*	*9*
John	*64*	*Charles*	*29*	***Joseph***	***9***
James	*39*	*Henry*	*19*	*Samuel*	*9*
Robert	*38*	*Simpson*	*15*	*Richard*	*8*
Thomas	*35*	*George*	*11*	*Spencer*	*8*

On page 2-8, with reference to Isreal's migration to Ohio, you say "Isreal was married to Margaret Graham in Ohio and seems to have come into Ohio from Virginia in 1798 when Henry did."

Henry did not arrive in Ohio until sometime after his marriage to Sarah Black in Allegheny County, Maryland on 15 August 1799, and not far from several other Bobos just across the state line in Mineral, Hampshire and Hardy Counties in what is now West Virginia.

One other thing that might be useful to others who want to further persue research started by others is the use of references that show the source of information rather than the person that found it. Several important facts are unreferenced and state "from the research of David H. Bobo" or "information furnished by Jane Hall" making it difficult to locate original information quickly. This may be of less importance to others than myself.

Overall, I think that you have done an admirable job in collecting and organizing a great deal of data. The correspondence is particularly interesting, giving us a look into the daily lives of our ancestors. This history will be invaluable to many of us who have an interest in the Bobo family and wish to add to it as time passes.

Good Luck,

Sincerely,

Bob

Membership Dues, 1 June 1994 to 31 May 1995

Dear John,

Thank you very much for the check for Membership dues. It certainly will help with the printing and postage on future newsletters. Right now I'm working on the next one, which should be mailed in late May or early June. When I go back to the BOBO Researchers Conference next month, I'll check with others of the researchers who will be there for more information on your line.

I have one bit of information to pass on to you now. It comes from James Taylor, a BFA member whose address is 1921 Burnside Dr., SPARKS, NV 89434-0702. I've highlighted the reference in the copies of the documents. As you see, the Descendancy Chart does not have a daughter Elizabeth listed for Lewis BOBO and Sarah SOLOMON, but the Group Sheet does. Perhaps you and Jim can compare notes.

I also am enclosing copies of some new research by Bryan Scott JOHNSON on the origins of the BOBOs in the U.S., which differ considerably from earlier information or assumptions a more direct connection with France. This material is to be published later this year in a Huguenot Society publication. I'll be talking to Scott at the researchers' meeting.

Good hunting,

Mr. Jim Taylor

SPARKS, NV 89434-0702

Dear Jim,

Thanks so much for the wealth of information you supplied. Some of it duplicates information I have from other sources, but it is most welcome. It gives me more than one source of information as I try to build a data file. As might be expected, there are usually conflicts in information and records of more than 100 years ago. There are questions about our origins in France. I'll send along a couple of documents that point this up. I'm hoping that there will be discussion of this at the meeting in Clinton, S.C. I do not have the answers, but I'm learning a lot more of the questions.

Bob ADDLEMAN, in his book ***Ketchum-McCorkell Pioneers,*** traces a BOBO legend and tradition which follows pretty much the assumption that we are Huguenots who escaped from France and came to America and cites many of the traditional documents. Robert G. BOBO, publisher of ***The BOBO Newsletter*** in New Jersey presents a slightly different point of view. I plan to use articles in future ***Roots-Cellars*** by each of them.

What is interesting to me is that none of the earlier published material accounts for my line of the BOBO family. We were that group which moved from the traditional location of the clan in Virginia to Mineral, Hardy and Hampshire Counties in what is now eastern West Virginia and on into Wood County, W. Va., and thence into Ohio. While I and several others assume from which lines of the Virginia BOBOs our line came, proof is hard to come by.

Bob ADDLEMAN'S line came out of Virginia to the Carolinas and thence out through the South. However, he finds some conflicts with other printed materials, as do other researchers with whom I've talked and corresponded. The major problem which everyone has is finding documentation to back up their family tradition or legend. Some contend that because we have no documentary evidence that our ancestors came from France, we can not prove that it happened.

But if it were all perfectly documented, we'd have to be researching something else. It will be interesting to learn what the various researchers have to say in Clinton.

Incidentally, Bob has several pages of discussion of Willis BOBO and Allen Holt BOBO in his book. I'll try to get to a copier and copy that for you. I still haven't had time to put all of this into my PAF program. Better still, I have just phoned you and Bob giving each of you the other's name, address and telephone number.

I'll be up to you know where in alligators for the next few weeks with business and my trip back East. I'll let you know what I learn back there.

Again thanks for the information and the computer disk which is on the way.

Sincerely,

Chuck

Dear Melanie,

First of all I want to thank you for your letter of December 14, 1994 with all the wonderful information. I don't need to take drugs. I get a high on my genealogy.

Found some **HOLLAND** information at one of our county libraries before we left for South Carolina. In the "Maryland Calendar of Wills Vol. III", I found Anthony Holland's will naming his children. He lived in Anne Arundel Co. MD. He also left some personal property to a Judith Deavour. Wonder how she fits in. **Please let me know the name of the Holland you are looking for and I will look for him also.** Thomas Parsons' will (in the Maryland Calendar of Wills) named his daughters and Anthony Holland and Benjamin Capell as executors. Benjamin Capell's will named the Holland children as some of his heirs. Capell Holland must have been named after Benjamin Capell. Thought Benjamin Capell might be married to a daughter of Thomas Parsons, since he was an executor on Parsons' will, but Benjamin's wife was named Isabel (Went to the LDS library yesterday. There is a marriage for an Isaabella Holland and Benjamin Capell, 1684 Anne Arundel Co. MD). She was probably a sister of Anthony Holland. Mordecai Price must have been related, since his children were named in Benjamin Capell's will and he was an executor for Anthony Holland (Found a record at the LDS library. He married a Mary Parsons 1683 Anne Arundel Co. MD). I didn't find a will or any more children for Capell Holland, but will keep looking.

I wrote Eva Baker before we left about the info she submitted to the Ancestral File. There was a letter waiting when we returned. **She did not mention the Hollands or Spiers**, but sent me about ten pages of a family named Talbott of Montgomery Co. she wants me to research. She sounds very disorganized to me and said she didn't know she had all that research entered. Maybe I'll just recheck everything. I have already documented a lot of what she submitted, but have found sometimes the LDS IGI is incorrect. There are a lot of resources available around here for me to check.

You said in one of your letter that you had not found a tie between the **Bobo** and Gregory families. The LDS IGI for TN has a marriage for Willis Bobo and M. J. Gregory 14 Oct 1851 Carroll Co. TN.

In the book Maryland Marriages, 1634-1777 Pg 87 **Holland**, Capell, 27 May 1718, Katherine **Eldridge.** They were married at St. James' Parish in Anne Arundel County Maryland. Also found in Maryland Marriages, 1778-1800 Pg106 **Holland**, Wm., 12 Feb 1781, Ann **Wayman.** They were married in Frederick County Maryland. There must have been more than one William Holland, since one married Mary Elizabeth Wayman. Or maybe one wife died and he married her sister. This is another puzzle to be solved.

While we were in South Carolina, we went to the library at Florence. I found an index for South Carolina County Wills by Houston. For Spartanburg County there were wills for Absalom, Burrell, Salley, and Spencer Bobo. For Laurens County Absolum, E. M. Dr. Bobo, Jane Holland and Regin Holland. Let me know which ones you have. I will order the rest. In Marriage & Death Notices from Southern Christian Advocate 1837-1860, I found on page 230 Died Feb 17th, in Pickins district, S.C. in the 63rd year of her age, Mrs. Mary C. Holland, Consort of Weyman Holland. Was in the issue of April 4, 1851.

The Holland Data (some random notes) were hard to read, but maybe they will help some.

Still can't believe my good luck when you found me. I will always appreciate you taking the time to get in touch. Thanks again.

Sincerely,

Barbara

CALENDAR OF WILLS

COMPILED AND EDITED

JANE BALDWIN

Wills from 1703 to 1713

VOLUME III.

Baltimore
GENEALOGICAL PUBLISHING COMPANY

KEY.

The name of the testator is in **Bold Type**; those persons bearing relationship to the testator, if stated in the will, are in bold type also. All others are in Roman Type. The county of testator follows the name in the same line if it is given in the will itself, and if none appears in the abstract the inference must be drawn that it is lacking in the will.

The dates of drawing and of the probate of each are placed one above the other, opposite the name of testator; that of probate under that of drawing. If either date does not appear in the Calendar a line of dashes is placed in the respective place to indicate the fact that it is lacking in the will as recorded, and if, as is the case in a few instances. neither date of drawing nor that of probate appears in the will, a double line of dashes is substituted.

The numbers at the foot of each abstract give the number of the book and the page from which it has been taken. The book numbers and not the old liber numbers are used, this being in accordance with the system usual with genealogists in making notes from these books.

It will be seen that in many instances overseers or trustees are named by testators. The custom now being obsolete it is best explained by a quotation from one of the wills where a testator, after designating several friends for the office, adds: "who shall assist the executrix in the care of the estate that neither she nor the children be wronged!"

Nunc, placed after a name indicates that the will was a nuncupative one.

Young. is used in the calendar as the abbreviation of youngest.

Test., the abbreviation of testis and testes, has been adopted in accordance with the custom of the times rather than the more modern term of witnesses. The other abbreviations and terms are so simple that explanation of them seems needless, since they do not differ from those in ordinary use.

BIRTH: LDS IGI for MD 3/92, Herring Creek, Anne Arundel Co. MD & CD Rom 11/93 I DON'T BELIEVE THIS, SINCE HE WAS TRANSPORTED INTO THE STATE OF MARYLAND IN 1650 PER "THE EARLY SETTLERS OF MARYLAND" PG 148!!!!!

Maryland Genealogical Society Bulletin Spring 1992 Pg 255 "He died a wealthy man with a personal estate amounting to L190.5.3. plus 996 acres of land, including 580 entailed acres of "Holland's Choice", lying in Baltimore County. Son Anthony Holland's 100 acres included "fifty Acres of land...given to my wife Isabellby her father Thomas Parsons."
To his youngest son Abraham, described as being sixteen years old as of 13 June 1714, he left his home plantation "Containing One hundred Acres of land which I purchased of my Sonn Richard Gott," which was part of the original 600 acres "Ram Gott Swamp" plantation. His Negro slaves and English servants were to continue working this plantation for the benefit of his younger children not sixteen years of age. William Burgess had transported Anthony Holland into the Province in 1650. Anthony served an indentureship of four to seven years to person(s) unknown and on 14 December 1672 claimed 50 acres of land for his time of service as was the custom. In forty two years of life in Anne Arundel County, Anthony Holland had prospered extremely well.
Anthony Holland, a Puritan, probably became a Quaker, though not an early one, perhaps being converted following George Fox's visits to the county.
He appointed his "well beloved friends" (all Quakers) Benjamin Capell, Mordecai Price, William Richardson, and Samuel Galloway," executors of his will to "doe take upon the full Execution of this my Last Will and Testament and take under their care and Management my Youngest children and their Estates. INTRODUCTION

Genealogists and family researchers have long known th most valuable records in their searching come from Bible re Bible records place an entire family group together with vital tics; they often include marriage dates and maiden names o ried women which could not be proved elsewhere. Occasio places of birth, marriage and death are included, still hard prove otherwise. However, some subtle information may be gl also: Bible records can eliminate some persons from the s especially when a name is common in a given area.

The Bible records included in this volume have been sel from those compiled by several DAR chapters, but mainly th the work of Mrs. W.A. Huey of the Ann Pamela Cuningham ter S.C. DAR, Columbia, South Carolina. This volume is a t to the hard work and long hours which she gave DAR pro These records are mostly from South Carolina fam es: so whom came from Pennsylvania, North Carolina, and Virgini some of whom migrated west and northwest. Still others a tirely South Carolina records. All have their particular value contribution is compiling these in one volume with one inde making them available to a greater segment of the public. are offered with our sincerest hope that they will help mo searchers in their unending tasks.

ABRAHAM HOLLAND FAMILY

by C. Bryan Holland

My ancestor, Abraham Holland (b. 1715), came from Maryland to Laurens District, where he died in 1800. The record states he purchased land on Duncan's Creek. He married Asenath Spires in 1752; they were the parents of nine children. Some of the descendants of their children Rezin, Thomas, and William are living in Laurens County today.

Abraham's grandson, John Holland, married Mary Ann Fulton. Their home was located about 816 E. Carolina Ave. (listed J. M. Pitts residence, 1907 county map). They owned several hundred acres of land north and east of their home, and their store was located across the street from the house. This store was the only source of store-bought goods in this area until 1830. Located in this store was the post office, "Holland's." This post office listed on maps dated as late as 1843 and 1855.

I am of the line of Abraham's son, Thomas Holland, Sr. (1762-1815). He married Jane Adair, daughter of Joseph Adair, Jr. and Sarah Dillard. Thomas and Jane were the parents of five daughters and one son, Thomas R. Jr. Thomas and Jane Holland are buried in Old Zoar Chapel Cemetery on the hill south of Duncan's Creek on Spartanburg Highway (56 North).

The marble tablet placed by Musgrove Mills and Henry Laurens chapters DAR, in 1926, on the front wall of Duncan's Creek Presbyterian Church lists names of sixteen men who served in the Revolutionary War. Included in this list: Joseph Adair, Sr., Joseph Adair, Jr., James Adair, John Copeland, and Thomas Holland.

Thomas R. Holland, Jr. (1805-50) married Mary Leak; their plantation was in the area of American Legion and Rosemont Cemetery property. Thomas and Mary are buried in Salem Cemetery, located about three miles east on U. S. Highway #76. Living in Laurens County are some descendants of four of their children: Elizabeth Jane, Thomas III (some of his descendants moved to Texas), Essie, and Bluford R. Holland (1838-75).

My grandfather, Bluford R. Holland, served during the Confederate War in the S. C. Cavalry, 1861-64. When he entered service his personal horse was appraised at $200. When on duty at Ellis Ford on Rappahannock River, December 31, 1862, his horse was killed by the enemy. On December 20, 1863, he was paid $200 for this horse. Bluford married Margurite Elizabeth Adair (1842-1916), daughter of Thomas and Jane Blakely Adair. They lived near the fork of Duncan's and Beard's Fork creeks in Scuffletown Township. They are buried in Leesville Methodist Church Cemetery.

My father, Thomas Hampton (Hamp) Holland (1867-1947), on April 14, 1892, married Mattie Elizabeth Henry (1871-1958), both from Long Branch area. We lived at the eastern boundary of Laurens Township, on Leesville Road.

My lineage—T. Hampton, Bluford R., Thomas R. Jr., Thomas Sr. and Abraham Holland.

THE FAMILY OF REESE LOGAN HOLLAND

by David and Agnes Holland

Reese Logan Holland was born on April 3, 1870 in the Long Branch Community near Clinton. He was a son of Bluford R. and Margurite Elizabeth Adair Holland. They are buried at Leesville Methodist Cemetery. He was married December 23, 1900 to Janie Clark who was born November 18, 1872. She died November 20, 1957. Reese L. and Janie Clark are buried at Langston; her mother was a Langston. Langston Baptist Church was named for this family. Janie Clark Holland's parents were John W. and Tirzah Langston Clark. Tirzah Langston Clark's parents were John and Mary Mason Langston.

Janie and Reese Holland lived at the Clark home where he farmed. This was near Shelden's Grist Mill and Tan Yard which was on Duncan Creek. HOLLAND DATA

1. William Holland: "moved from Germany to Virginia, lived there four years, then moved to S.C. and settled in Laurens County." incorrect
"..... Married Mary Elizabeth Weyman, born in New England"
(Source unknown.)

Note and question: Intimation elsewhere is that William Holland was a Virginian, he married a New Englander, yet he " came from Germany". The question is how did he get to Germany? The conjecture is that he may have been sent by the ernment to Germany on a mission of some kind.

2. Weyman Holland: ".....born in Germany in 1790. His father was William Holland who married Elizabeth Weyman. She was born in New England. Her maiden name was Weyman so she named her first born son Weyman. Weyman Holland was educated at West Point. He mastered thirty languages after he was educated. He taught school until he married, and then he ran a large farm in Pickens County, S.C. In the year 1838 (1838)he moved to Cokesbury, S.C. to educate his children and lived only one year after moving to Cokesbury. He died with congestive fever and was buried at Tabernacle Cemetery in Abbeville County." differ

(Source unknown).

Another source(also unknown) states:

"Weyman Holland and two brothers came directly from Germany. They were well educated men. Weyman Holland's wife was Mary Chandler Major...." "Mary Chandler Major was the daughter of William Major and Mary Chandler...." One William Major served as private in Major Cabell's Company, 14th Virginia Regiment, commanded by Col. William Davis, in the Revolutionary War. " Same

Note and Conjecture: It is thought that since William Major served in the Revolution, in a Virginia Company, and since William Holland was also undoubtedly of a suitable military age, and from Virginia(?), the two may have served in the same command, thus giving William(senior), Weyman, and opportunity to know and come to marry William Major's daughter, Mary.

3. Asbury Morgan Holland; Born Feb. 20, 1824; married Margaret Elizabeth Sherard in 1845. Died Jan. 4,1887. This was a son of Wey,am Holland.

4. Wayman Asbury Holland; Born April 15, 1857; married Fannie Murtis Broyles in 1879 , died Oct. 27, 1921.

5. Wayman Asbury Holland, Jr. Born Oct. 15, 1883; married Ruth Bruce Laing in 1916. This is the writer of these notes.

Dear Melanie,

Your Holland information was so interesting! We are bringing different pieces to the big puzzle of Abraham and Asenath.

Have you written at all to the person who filed the Rezin Holland information? It must represent a great deal of research, if accurate, to prove the Holland and Spiers antecedents. So I wouldn't blame her if she didn't wish to share. At this point I don't know what we have to exchange with her. But maybe worth a try.

We have an LDS Family History Center here in Lexington. A couple of years ago I rented microfilm of Virginia/WV will books when working on one of my mother's families. There were proofs that I couldn't have gotten any other way.

I found a chart filed under another family that had been sent. I don't know Sylvia Ann Ray. My son in Portland looked for her in the phone book a couple of years ago but couldn't find a listing. The chart is more than 20 years old. However, yesterday I wrote to the DAR for the most accurate and complete copy of an application for membership on the line of Abraham Holland. I don't know how long it takes to get anything this time of year. But it should be interesting.

On Monday, Dec. 26, I'm leaving for two weeks to visit my little grandchildren in Ventura, CA, whom I haven't seen for a year and a half. I don't have time to do this, but if you do, here is a suggestion. The page I sent you that has the Abraham Holland Bible record says at the bottom, "This material came through Miss Faith Clayton of Columbia who obtained it from Mr. Leonardo Andrea." Just a few months ago I heard that the "Andrea Files" were being rented out by mail by Mr. Andrea's sister... then, that she was ill and they were not. (Mr. Andrea was a genealogist.) I also heard that this library has a lot of material:

Faith Clayton Family Research Center
Rickman Library
Central Wesleyan College
Central, SC 29630

I'm enclosing pp. 26-34 (all that I have) from the Prince family book. Thanks again for sharing your information, and I hope we can make progress on this family. I have p. 74 of the 1790 census index, Laurens Co., showing Abraham, Bazel, William together and Thomas towards the bottom of the same column.

Sincerely
Alice

Melanie

Dear Melanie,

Good news and bad news. The DAR sent a recent copy of an application on the line of Abraham Holland, but it is so dark that it's almost impossible to read. Good for me, that it follows the line of son William and William's son Waymon, but no data on your Jeremiah (didn't even know that Nancy was a Bobo). I intend to send my copy back and ask for a better one. I intend to request a copy of DAR #500784 that is referred to in five generations for references. I'm glad that Abraham's children are the same as the Bible record, though no proof is given. Do you think Helena Ratliff Cleaves had this done by a genealogist? To me, the references for "Ancestor's Services" would have been difficult to locate.

The other information is from a Lander cousin on my mother's, not father's side, though she has done considerable work on her SC Cothrans. It's intriguing, because Moses Holland seems like a name that would be related to Abraham Holland. Montgomery Co., MD, and Culpeper Co., VA, aren't really that far apart. We don't know whether Abraham had brothers or uncles, just that there were other Holland families. I looked for the Gilbert name in these Moses Holland notes but saw nothing. Pendleton and Greenville Districts, SC, were close enough to Rutherford Co, NC, for people to move back and forth and own land in both, don't you think? Anyway, this is probably part of sorting out all the Hollands.

Texas surely is a hotbed of genealogy! I asked for the DAR paper of the line of Henry Berry Prince, Sr. and was sent that of another Texan. You could try writing for something about Robert, since he seems to have served. Write to

The papers of Henry Berry Prince, Sr. give several references that look quite good. Maybe there will be a library in your area where you can find them.

Will be anxious to hear from you!

Sincerely,

Alice

Dear Mrs. Chapman:

I saw your query in "Family Puzzlers" No. 1186 a few weeks back regarding one HEZEKIAH COCKREHAM/COCKRAM/COCHRAN and others. I am a descendant of this man although I have never sat down and done extensive research on that fact. I have some papers that were given to me by a sister of mine who got it from one of our great-aunts, now long dead. Only two of the papers, however, were copied from originals.

A letter written by my father's great-grandmother, Mary Ann Holland Woodward, states "Hezekiah Cockrum, my grandfather, was a soldier in the Revolutionary War. After the war, drew his land ten mile(s) below Greenville Court House and raised his family in two mile(s) of Reedy River, where he died sometime between 1849 and 1855. After his death, his perishable property was sold and the money divided with his six children who are all dead. I am the child of his second daughter, Elizabeth, who married Thomas Holland, a Baptist preacher. My grandfather had a large plantation and if the land has ever been sold, I have never heard anything about it.

(s) Mary Ann Holland Woodward"

This letter is not dated; however, it was written, probably, in late 1800's or before Nov. 9, 1903, date of her death.

Mary Ann Holland Woodward's father was Thomas Holland and he married Elizabeth COCHRAN.

"The Cochran family lived in Abbeville County (SC) not far from Anderson. One of them, Miss Nelle Cochran, is living in Anderson, principal of one of the city schools."

(signed) (Mrs. J. R.) Louise Ayer Vandiver

(date) September 7, 1921

Thomas Holland and his wife, Elizabeth, might be buried at Bridgeport, Alabama; I don't know.

"Uncle Thomas Holland went off somewhere and all I know is that he was a Baptist Minister. I live at the old home of my grandfather, Bobbie King, anotehr pioneer preacher. As I sit here, I can see the old Moses Holland home, also."

and Anderson, S.C. section
(date) May 21, 1925

My father's great-aunt, daughter of the above Mary Ann Holland Woodward, wrote this letter, probably to his aunt (mentioned above in first paragraph) who was Willie Gordon Louise Merck Roberts. Aunt Gordon was trying to get into the DAR.

"Wed. Oct. 28, 1925.....Bobbie King married Grandpa Thomas Holland's sister. Thomas

and the girl descended from Moses Holland and Mary Barton. Thomas Holland, your Grandma Woodward's father and my grandfather, married a Cockrun. Grandpa Thommie Holland had 3 daughters, Mary (Ma); Emeline; and Elizabeth; and 3 sons, youngest died when a baby. If you never saw them, I know you remember hearing us talk about Uncle Bill and Uncle Rad. Now, I don't know anymore. I used to know but since I have had these dieing-away spells 2 years ago, I can't remember anything way back. I do remember hearing Ma talk about Neal's Creek and Big Creek Churches where Grandpa Tommie, her father, preached. I want to write to Deacon Joshua, only living member of Moses' family in Anderson Co., S.C., but whether he would get it, I don't know. I guess he is one of the second wife's children. Ma always called her "Grannie Grace." Now, I have done the best I can to remember. No matter what you find out, you needn't be ashamed of your ancestry on either side, Holland or Woodward. I am well at present. Love to all, come and see sometime.

Aunt Lizzie"

Moses Holland m. 1st Mary Barton in VA. This is well documented. They came to S.C. where she died. He m. 2nd, Grace King, the "Grannie Grace" mentioned in the above letter. "Ma" is Mary Ann Holland Woodward. There is a monument to Moses Holland at Big Creek Church. I would think that much of the information you might need on the Cochrans would be in Anderson County, S.C. I do beleive that some of them might have come to Hall Co., GA, as that, and Lumpkin Co. (Dahlonega) is where the Hollands and Woodwards settled for awhile. Hall County has excellent records at its courthouse. Lumpkin County has pretty good records though not the best I've ever seen!

I have found several Cochrans (with various spellings) in "Roster of South Carolina Patriots in the American Revolution" by Bobby Moss. Also, Mary B. Warren's book "South Carolina Wills" has many with various spellings. If you want a copy of either of these lists, let me know and I'll send them to you.

My lines that feed into from the COCHRAN line are MERCK, WOODWARD, HOLLAND, BARTON, UTTLEY, MOORE, WAIT(E), SMITH. At least, all that I know of.

The children of Thomas and Elizabeth Cochran Holland were

1. Samuel Anderson 3 Aug 1817 d. 13 June 1820
2. Mary Ann 24 Oct. 1819 (Anderson SC) d. 9 Nov 1903 (Gainesville GA) m. 11 Dec 1836 to William Woodward (in War of 1812)
3. Emeline 15 March 1822 d. 2 Aug 1858
4. Martha Ann Elizabeth 8 Dec 1824
5. Radamanthus Judge 28 June 1827 d. 12 Mar 1894 (He lived in Bridgeport, ALA. There is a ref. to an article he wrote in a newspaper in that town on June 1, 1884.)
6. Thomas Leroy 20 May 1832 d. 12 Jan 1848
7. Hezekiah Woodward 23 Sept 1834

He was a Confederate Soldier and is bd. under present City Hall in city of Gainesville, GA., having expressed no desire to EVER be moved after death. I married Phillip Haskell PARADISE on 21 Aug., 1957, at Ringgold, Catoosa Co., GA. He was b. 11 Aug. 1934 near Lincolnton, Lincoln Co., GA., son of Pink and Nettie HOLLOWAY PARADISE.

Backing up to COCHRAN line.....

Hezekiah COCHRAN b. ????? d. between 1849 and 1855. Married Sarah ??????????
Hezekiah was a Revolutionary Soldier. Drew land 10 miles below Greenville Court House.
1790 census shows him in Greenville Co., S.C.

My records show two children listed on a family sheet:

Daniel (could be by a first wife) No data on him.

Elizabeth (2nd daughter) b. 28 Feb. 1796 d. 29 Oct 1852. Married 29 Aug, 1815 to Thomas HOLLAND, S.C. (See preceding page for rest of lineage.)

As you can see, this is about all I have on my COCHRAN line. I would bet that Culpepper Co., VA might have something, but I've never checked into it. Since families tended to travel together, it is a possibility. My local library has recently moved into a new, larger building and the Georgia Room is becoming better and better each day, it seems. It's almost as easy to go there as it is to the Archives downtown (Atlanta). Easier, in fact. No pay parking; no traffic, as on interstates.

I don't find any record of Hezekiah COCHRAN nor Pleasant WOODWARD in S.C. Roster of Rev. Could have been in another state.

I doubt if I have answered any questions you wanted answered, but did want to let you know that I am a descendant of old Hezekiah COCHRAN, and one day, maybe I can let loose of these others I've been working on and find something on him and his family.

In all these notes I have, I came across something re: Thomas WOODWARD, The Regulator, a well-known Rev. soldier and fighter of Indians in S.C. He was murdered by the Tories. There are many plaques and tales re: him in S.C. history. I have seen a WOODWARD cemetery in Fairfield Co. and a marker in his memory there. I believe there is a portrait of him in the Capitol in Columbia. However, I do not know if he is any kin unless he was a brother or cousin to my Pleasant WOODWARD. Just haven't checked it.....

If you find anything on H. COCHRUM/et al, by all means let me know. Would love to learn more about him. On the other hand, if I happen to find something that I think you would be interested in about him, I'll be happy to send it on to you.

Sincerely,

Auvis Paradise

Auvis Smith Paradise

p.s. Unless I missed it, I don't find any reference to your being kin to this Hezekiah. If you are, how so? Something else: the given name, CHESLEY, has been passed down thru the Holland and Woodward families. Wonder if the Chesley COCKERHAM could have been a brother to Hezekiah????

I typed a "first" letter; have open stamped envelope &

Dear Melanie,

Just yesterday I heard from the DAR again, this time with a legible copy and, in addition, the earlier application of Patti Major Bostick given as a reference. I couldn't make out all the words in what appear to be excellent references. So I've just transcribed it--would you check it over and see if you can make out the words and add or correct anything, then let me know. Thanks.

When the yeearly index issue came for the Pinckney District Quarterly I saw a Holland reference in the June 1994 issue, p. 64. It is for Abraham's daughter Rachel who married Richard Fryar. Their daughter Sarah Fryer was the first wife of Moses Casey, Jr., in Spartanburg County. What other family connections were in Spartanburg County?

Notice on the list of Abraham's children that Bazil, who married Margaret George, d. 1829 and will recorded in Trigg Co. It should probably be Kentucky, not Tennessee. A friend told me there were a lot of Hollands in Trigg Co., KY, and at that point I realized that Tennessee doesn't have a Trigg County.

Before I received this latest information from the DAR I felt that, with what you had sent, I knew enough to ask my friend, Frances Holland Woods, to look at it and see if she could make a connection. Five years ago when we first met she could not, even though her father was from the same part of South Carolina as my father. She had no interest in genealogy. Now she has some family information from an uncle, and she and my Dad are third cousins! Her great-grandfather was named Wayman Asbury Holland, and he was a brother of my great-great-grandmother, Nancy Rebecca Holland, who married when she was 14 to Andrew Jackson Anderson, who was 16! Frances' uncle did not have anything past William Holland (I mean earlier than William). So Frances was interested in Abraham being from Maryland because she was born in Baltimore.

Are you making progress on any of our families? I'm so glad you got me started on the Hollands again!

Sincerely,

Alice

HUSBAND Jeremiah HOLLAND-604 Yr of Birth 1768
WIFE Nancy BOBO-748 Yr of Birth 1770

By the time Jeremiah's father Abraham Holland died, Nancy had remarried twice, first to Samuel Simpson with whom she had Samuel Piercy, and then to John Colbert. According to South Carolina law, since Abraham Holland died intestate Nancy would inherit her share of her former husband Jeremiah's share of his father's estate whether she had remarried or not. In 1802, Nancy was between husbands so she owned what was hers in her own right and could do whatever she wished with her property. If she had a husband at that time, it would all belong to him (again by South Carolina law). Therefore, she was probably preparing to marry Matthew Patton and deeded the items to her daughter Sarah Holland and son Samuel Piercy Simpson before her marriage took place. In addition, when Jeremiah's mother Asenath died, Nancy would have received her share of Jeremiah's share of Asenath's estate. However, since she had probably married Matthew Patton by that time, then he would get it.

BIRTH: 1850 Gibson County, TN Census gives age 60, born in South Carolina.

Abraham HOLLAND (17_5-1800)

AMERICAN REVOLUTION PATRIOT of (1)

Montgomery Co., Maryland

Abraham HOLLAND, planter, of Montgomery Co., Md., born __ ___., 17_5 (2) (1725?) in MARYLAND, most likely Anne Arundel Co.; son of Capell (3) and Katherine (ELDRIDGE) HOLLAND who were married 27 May, 1718 in Anne Arundel Co., Md.; (4) grandson of Anthony and Isabell(a) (PARSONS) HOLLAND of Anne Arundel Co., Md.. (5)

Due to the lack of documentation, such as Will, Intestate, Deeds, etc., on Capell HOLLAND, the father, following his marriage it can not at this time be stated positively the county of birth and county/ies in which Abraham HOLLAND may have lived prior to his marriage. His eldest known child, a daughter, was born in 1753; (2) therefore it is assumed he married not later than 1752.

Abraham HOLLAND married __ ___., ca. 1752, most likely in (Lower) Frederick Co., Md., Miss Asenath SPIERS, born 7 June, 1730, (2, 6) in what was then Prince Georges Co., Md., daughter of William and Mary (_____) SPIERS. (6) (Note-her place of birth depends on (1) location of St. Pauls Episcopal Church, (now) Rock Creek Church Road, Washington, D.C., and (2) the location of her parents property in the year 1730). In fact Asenath (SPIERS) HOLLAND most likely was born, reared and lived the first 58 years of her life in the area that is now known as Montgomery Co., Md.. In 1788 Abraham and Asenath HOLLAND executed a "Power of Attorney" to Joshua SPIERS, (7) presumably a brother of Asenath; and migrated, along with their children some of which may have preceeded them, to Laurens Co., S.C.. They settled on or near Duncan's Creek, where Abraham HOLLAND received a land grant of 350 Acres in 1789. (8) Abraham died __ ___., 1800 and Asenath, his wife, died __ ___., 1804 in Laurens Co., S.C., both intestate. Their graves apparently are not marked; however they were probably buried in Puckett's Hill Cemetery near a little community known as "Hollands", located northeast of Clinton, Laurens Co., S.C.. (9)

At16 years of age Sarah Ann Eliza Holland became the second wife of John Wesley Major , who had a small daughter affectionately called later "Aunt Bet". Sarah and John had 13 children. (See excerpt from Yates Snowden's Hist. of S.C.) This couple lived and farmed in Anderson Co., S.C. and were buried at the old .M.E. churchyard at Sandy Springs, S.C,, where the parents of John , John Perry Major and his wife Mary Marshall, are also buried.

As a young man, Stone Wall Major, son of John Wesley Major and Sarah Holland worked in Pickens, S.C. demonstrating sewing machines. He boarded with his cousin Mrs. Mary Kirksey, who lived next door to Maj. J.M. Stewart. It was not surprising then that "Wallie" and Emma Stewart fell in love and married on Nov. 18, 1891.

Their only child, Patti Major, born Nov. 11, 1892, married Benjamin Bostick, of Beaufort, S.C. on Feb. 27, 1924. This union was blessed with Twins, Benjamin Edward Bostick and Patti Major Bostick born Dec. 28th, 1924.

All authority for the Maryland records of this history are to be credited to Mr. L.W. Tilton, of Linwood , N.J. who has spent years in Washington, D.C. searching in the Archives and Libraries, also in the Maryland State Records. He most kindly gave permission for this use of his data, and we are indeed grateful. Many of the S.C. facts too as Census Records etc. are from Mr. Tilton's files.

Note by Mr. Tilton:

Abraham Holland's sons Basil, William and Rezin were not identical with their younger relative of the same names in Iridell County, N.C. in 1820-1830.

PREFACE

In 1976 Southern Historical Press published a small book entitled *Some South Carolina County Records, Volume 1*, containing 162 pages, compiled by Brent Holcom We had anticipated doing several volumes of this seri but somehow other things prevented us from returning the project.

The publisher of this book is also editor of th *Georgia Genealogical Magazine*, which he has edited si 1970, and over those nineteen years he has run a sma section of South Carolina county records in each iss It is my feeling and experience that people who buy genealogical books from Southern Historical Press ge erally do not subscribe to the *GGM*, and likewise, pe who subscribe to the magazine by and large generally do not buy genealogy books.

In going back over the contents of the *GGM* for these nineteen years, we have found this wealth of S Carolina genealogical source material that really nee to be brought to the attention of the public at large It was with this in mind that we have taken the bulk the South Carolina material appearing in the *Georgia Genealogical Magazine* and compiled it into book form as found herein.

WILLIAM PATTON

In the cemetery at McLemoresville, in the older section, there are buried many members of the Patton family. There is William Patton who came to Bedford Co., TN from the York Dist. of SC, then moving on to Carroll Co. His father was also William Patton, and his mother was Jane Crawford, daughter of James and Jane (Hutchinson) Crawford. Jane Hutchinson's sister was Elizabeth (Hutchinson) Jackson, the mother of our 7th president, Andrew Jackson. Andrew was b. in the home of his Aunt Jane and Uncle James Crawford. That spot is now the Andrew Jackson State Park. William Patton, Sr. had received a land grant of 93 A. from the King of England, George III, which joined the land of James Crawford. Then William, Sr. fought in the American Revolution against England.

William Patton, Jr. (1780-1850) m. in Davidson Co., TN on 1-4-1804, Margaret Wright. It is not known the exact date of their arrival in Carroll Co., but we do know that when they came to the Tennessee River, they had to wait until many Indians had been ferried across, before crossing with their families and wagons.

Dear Melanie,

I will be eternally grateful to you for opening a door for me. It was so nice to talk to you.

You have convinced me my Sarah **ROCHELLE** is Nancy **BOBO**'s daughter. Someone else had Sarah as a possible daughter of Sampson. I will send her the information. I will be happy to have any information you have on the **HOLLAND**, Bobo/Babeau (french spelling) and Simpson families. Please send me what you have on your Spencer, then I can add to it if I find anything at the Library of Congress.

The day before your letter came I went to our LDS library. Found a FGS for Sampson Bobo sent in in the 1960s. It has Sampson born in Fourney, France. I looked in my atlas and could not find it. Called a french friend I used to work with. She said it is spelled Fournet. The next day after I got your letter I stopped by the LDS library on my way home. They have a wonderful atlas. Fournet is very close to the Swiss border. It is located 47.10 N & 6.50 E. I did not have time to check the LDS IGI for France. I will when I go back Monday.

You will notice Sarah Simpson was born in Culpeper Co. VA and her father was Joseph Green Simpson and mother Elizabeth. The IGI for VA has Sarah or Sally Simpson married Sampson Bobo married Culpeper Co. VA 1762. It also has Sarah Simpson born 1743 Culpeper Co. VA, daughter of Joseph Green Simpson and Elizabeth **AULDER**. Joseph Greene Simpson was born Culpeper Co VA Abt 1706 to Andrew Simpson and Elizabeth Greene. Joseph Greene Simpson married Elizabeth **KEECH** <1736> doesn't give the location. I need to ask at the library what the brackets mean. I will send you a copy of the above when I get them made.

I got a copy of the Babeau/Bobo IGI for VA. Spencer was born 29 Mar 1767 Culpeper Co. VA and Sampson born Abt 1735 of Caroline Co. VA. I will send you a copy of this also.

Your evidence that Jeremiah Holland is the first husband of Nancy Bobo sound good to me. Some of these women were left with many children to raise. They were certainly good stock.

To get back to the Babeau/Bobo family. We need to find out if they were born in France or VA. Evidently some Bobo ancestor was from France.

My only proof that Patience Rochelle was a daughter of Nathaniel Rochelle is Mary Etheridge (we spelled it Ethridge and my aunt was adamant about the spelling) was living with Nathaniel and Sarah in the 1850 Gibson County TN U.S. Census. Also James Henry Ethridge was living with Althea Rochelle Rummage at that time. We are fairly certain that Althea and Patience were sisters. Some think they may have been twins. The two older Ethridge children were with their father Jared J. Ethridge and their stepmother Mary Ann Smith.

I would like to have copies of any pertinent information. I will gladly pay for them.

As to the Tilmon Gregory. He must have been related somehow. There was a Tillman Bobo in Union County SC as you will see by the material a John W. Lawrence provided Pat Funk. Also there was a Tilghman J. Rochelle (1860 Carroll Co TN U.S. Census Pg27 D330 F327) who was the son of George T. Rochelle, the brother of my Nathaniel. As you will see by the old John Rochelle FGS his wife's name was Elizabeth Boone. Some have said she was Daniel's aunt.

Again, Thank you so much for opening the door for me. It was so nice of you to share. Will keep you informed as I find things. Waiting to hear from you again.

Sincerely,

Barbara

Melanie,

Hope this helps. I'm trying to put my information in Roots IV and I am really getting frustrated. I can't get things to print like I want them to.

On the Bobo line, where did you get your info on Kendrick Bobo? I had a different date of birth, but yours seems more reasonable. I also had him married to Comfort Tree —

Happy Hunting —

Jo Ann

Melanie, These are the children I have for Robert & Elizabeth: 1 Solomon married Mary (I think Dozier); 2 Sampson married Nancy Lebetter and Sarah Smith; Jeremiah Bobo married 1st? and 2nd Anna Ashley; 3 Robert, Jr. married Sarah Kemp; 4 Rhesa; 5 Mary married Basil Williams; 6 Jonathan married Elizabeth Cox; 7 William; and 8 Sarah (Sally) married Ambrose Dollar. There is also a book you might be interested in "Rogers-Skelton and Allied Families" by Helen Rogers Skelton & Clarence Skelton. I have their address if you would like to order a copy $54.00. I would be interested on what you have on Lewis Bobo and his wife Sarah. Was her maiden name Solomon? Nice to find a new cousin.

ROBERT SKELTON, b ca 1751 m ca 1771 probably Union District SC Elizabeth Bobo, b ca 1755, dau of Lewis Bobo and Sarah Solomon. Robert Skelton, Sr. is found in 1790 census of Pendleton Dist. SC. His place of birth is not known. He is listed in the Revolutionary War Roster of South Carolina when he was paid 156 days as horseman under Col. Roebuck in 1780. Elbert County, Ga. Marriages p. 251; Records of Mrs. Rex Bennett, Springfield, Mo.; Records of Mary Ruth Thomas; First U.S. Census Pendleton District, SC 1790.

dated 22 Jul 1809 Pendleton District, SC as the dau of her son, John; Elizabeth Skelton is named as dau of John Cox in his Will dated 18 Aug 1815 Pendleton District SC. There is one Elizabeth Skelton, widow, age 67 living in the household of her dau, Sarah (prob. named for Elizabeth's mother) and her husband, Thomas Berry in Jackson County, Alabama 1850 Federal Census. Nearby is John P? Skelton (this should be John O. as the children listed in the census match the names and ages of those in John Odis Skelton's Bible) and J.W. Skelton and wife, Jane E. and who is James W. in 1870 census. In the Bible of one of the descendants he is James Washirgton Skelton. There is one Elizabeth Skelton (widow) listed in Georgia Land Lottery (1827) page 174, Capt. Dobbs District No. 257, Dt. 7 Section 1. In the Jackson Co., Alabama Federal Census 1840 we find: James W. Skelton, Thomas Berry (who m Sarah Skelton) John Skelton (who m Thomas Berry's sister, Elizabeth, both children of William Berry), Robert Skelton, Jr. and Dozier Skelton. All the evidence points to the Elizabeth Cox who married Jonathon Skelton in Elbert County, Georgia. The Elizabeth Skelton in 1850 census of Jackson County, Alabama gave her birth place as South Carolina; Sarah Berry gave her birthplace as South Carolina; John Odis Skelton gave his birthplace as South Carolina; J.W. Skelton gave his birthplace as South Carolina; all in 1850 census. In 1860, John O. gave his birthplace as NC; J.W. was Alabama; in 1870 John O. gave SC again; and James W., SC but in 1880 James W. gave Ala.; in the same year his son, Leonard stated his father was born in SC. We know that many errors have occurred in the census but we must weigh the facts. As yet we have no proof.

We surmise that Jonathon was the brother of Sampson, and sons of Robert Skelton since they both enlisted for service in the War of 1812 on the same day 21 Nov 1814 for the same service (5 months and 29 days and mustered out on the same day 6 May 1815); both were privates in Capt. William H. Underwood's Company of Militia Georgia Detachment 4th Regt. They were both paid for 14 days travel from Elberton, Elbert County, Georgia to Camp Hope and return. But we have no other proof. Possible children:

1. John Odis Skelton, b 1815, South Carolina d. 2 Nov 1876 Jackson Co. Ala. m. 1st Elizabeth Berry, b 24 Jun 1819 Ala. d. 10 Feb 1860 Jackson Co. Ala. bur. Gasque Gap, Jackson Co. Ala. Bluff Memorial Cemetery beside John O. Elizabeth was the dau of William Berry and Chastity _____.
2. Sarah Skelton, b 1817 South Carolina d after 1870 census Blount Co. Ala. m ca 1835/6 Thomas Berry, brother of Elizabeth (above).
3. James Washington, b ca 1819 SC or Ala. m Jane E. _____ ca 1840.

JONATHON & ELIZABETH (COX) SKELTON

1790 - Jonathon Skelton, b. SC & in First Census Pendleton District, SC.
1783 - Elizabeth Cocks (Cox) b. SC.
1809 - Will of Elizabeth Cox date 22 Jul 1809 Pendleton District SC, Will Bk. A pp 112-113, named Elizabeth Cox dau of her son, John.
1810 - Jonathon Skelton m. Elizabeth Cocks 17 Jul 1810 Elbert County, Ga. (Will Bk. 1809-1812 page 78. Judge of Probate.)
1812 - Jonathon Skelton enlisted for War of 1812 in Elbert County, Ga. the same day as his brother, Sampson; mustered out the same date together. (Federal Archives, Washington, DC. copy on file.)
1815 - Will of John Cox dated 18 Aug 1815 Pendleton District SC Probate Records Bk. C pp 196-199 proven 9 Aug 1816, named Elizabeth Skelton his dau.
1827 - Widow, Elizabeth Skelton in Capt. Dobb's Dist. No. 257, Dt. 7 Sec. 1, Georgia Land Lottery, p. 174. No record of a will has been found of Jonathon's death, but his service in War of 1812 would entitle him to a draw in the land lottery which Elizabeth exercised.
1820 - Census.
1830 - Census.
1836 - John O. Skelton enlisted in Capt. Bishop's Mtd. Gunmen as Pvt. 2nd Rgt. Alabama Mounted Volunteers (Alabama State Archives, copy on file.) son of Jonathon and Elizabeth. (Creek War.)
1840 - Jackson County, Ala. Fed. Census, page 64: John Skelton, James W. Skelton, Robert Skelton, Jr., (bro. of Jonathon) and Thomas Berry (bro. of Elizabeth, wife of John O.) & wife Sarah Skelton, 3 children of Jonathon & Elizabeth Skelton.
1850 - Jackson County, Ala. Fed. Census: John P. Skelton (error enumerator) names and ages of children match the Bible records (on file) of John O. Skelton, b SC 1815/6 (#236-203), James W. Skelton, b SC (he is recorded in the Bible of Luther Skelton, Nacogdoches, Tx. as a brother of John O.); Thomas Berry & wife Sarah (Skelton), b SC and living with them is Elizabeth Skelton, widow, age 67 b SC. We believe this to be the same Elizabeth Skelton (widow) in Elbert County of Georgia Land Lottery. She was entitled to a draw as a widow. No will has been found for Jonathon. Only one of their children was born in Ga; the others of record were born SC. James W. stated in one census that he was b SC; another states Ala. One wonders who gave the information. Elizabeth was in Georgia in 1827 indicating she removed to Alabama after that date. Jonathon, b SC went to Ga. with his father, Robert and married there and the first child was born there. He probably went with his wife Elizabeth to SC before her father died 1816 and remained there till his other 4 children were born, 1814-1819/20. Jonathon died sometime between 1820-27. He was

about age 57 at the time of his death considering he was head of a family in 1790 census and about age 40 when he married Elizabeth Cox, if he d. 1827.

ELIZABETH BOBO, widow, received a grant of land in King and Queen County, Virginia by the Lord Proprietors in 1792. The Bobo or Beaubeau family originated in France. There are many variations of the name: Bobo, Boboe, Bobow, Bowbow, Boubough, Bobough; in those days names were spelled as they sounded. According to Barry Bobo of Mississippi, the records of this family are found as early as the tenth century in France. They were of the Protestant religious faith, that probably being the reason for their departure from France, since they were Huguenot. Translation of the name Beaubeau gives it the meaning of "very beautiful." the Beaubeau family was entitled to Coat of Arms: Or on a cross sable five fleur-de-lis argent; Crest: out of a coronet or five ostrich plumes argent; Motto: Je Ne Change Qu'en Mourant: "I change but in death." Symbolism: Or is the metal gold, denoting generosity. Cross is composed of four lines; two parallel lines perpendicular and two transverse meeting at right angles near the fesse (centre) point. The cross bears resemblance to the cross of Christ. A cross used in heraldry signifies that the first bearer was a Crusader. Sable denotes constancy and is the color black. Fleur-de-lis is an heraldic lily with three leaves or a French lily. It is the symbol of purity and indicates a participation in French Wars. Argent denotes peace and sincerity; is the metal silver. Coronet is a crown, worn by Princes and Peers. Ostrich Plumes, a plume of feathers, borne by the King of England, Stephen, with the motto: "No force alters their fashion;" meaning the fall of the feather cannot be shaken into disorder by the wind. The plume symbolizes knighthood and it was a disgrace if he allowed his plyme to become fouled. The plume also signified obedience and a serenity of mind.

Tradition states that the Bobo men who settled in South Carolina 1700-1775 were sons of Elizabeth Bobo, a widow, whose

LEWIS BOBO, b. 1736 France, came to Union County South Carolina from Culpeper County, Virginia before 1790. It is not known how he is related to the foregoing families, but we surmise they are kin, since they came from the same area to the same area in America. He was a Master Mason and meetings were held in the loft of his cabin. South Carolina Department of History and Archives show that Lewis Bobo contributed to the Revolution. He received a Grant of 700 acres in Berkeley County near Wofford's Bridge on the Tyger River in 1770 on Cross Keys Road, Union County, SC. He owned 200 acres in Old 96 District (3 April 1786). He was instrumental in the founding of Padgett's Creek Baptist Church, sometime after the Revolution. He m. ca 1756 (first child b. 1757) to Sarah. Some think her maiden name was Solomon.

Lewis Bobo made his will 14 June 1805:

In The Name of God Amen. I, Lewis Bobo, of the District of Union and the State of South Carolina, being of perfect health and of sound mind and understanding do make and ordain this last will and testament in manner and form following, To Wit:

LEWIS BOBO (Bobeaux - Beaubeaux) b. 1736 in Flournois, Rochelle, France died after 14 June 1805 when he made his will in Union District South Carolina; m. probably in Culpeper County Virginia to Sarah Solomon (?). We are not certain of her maiden name, but it is sumised that her son Solomon was named for her surname. Lewis Bobo went to Union Dist. S.C. from Culpeper County, Virginia before 1790. He was a Master Mason; the first Lodge of the Masons was located in Charleston, South Carolina; the second held in a cabin loft owned by Lewis Bobo. He contributed to the War of the American Revolution with such commodities as food, corn, horses, etc.; for which he was given the title of Captain. He was one of the early Planters as shown by Grant of 700 acres in Berkeley Co. near Wofford's Bridge on the Tyger River in 1770 on Cross Keys Road, Union Co., SC and 200 acres located in Old 96 Dist. SC (3 Apr 1786). He was influential in the establishment of Padgett's Creek Baptist Church after the close of the Revolution. Lewis Bobo was the son of Spencer Bobeaux (Beaubeaux). Francis Spencer Bobo was born in Flournois France and came to America by way of England about 1700. He married Mary Judith Mason in Virginia and later moved to South Carolina, Union County on the Tyger River. Spencer made his will in 1788 and probated Jan 1789 Union Dist. SC. Helen Rogers Skelton, let's exult! Let's holler a bit! Dance your C. C. around. You've made a real find. We can't guess how much it will help. But we can hope.

Now we must figure. Elizabeth COX lived in South Carolina, or at least was born there. We ask ourselves why Jonathan SKELTON married her in Georgia. Did the younger John COX, son of the elder John and Elizabeth, move with his wife Sarah and daughter Elizabeth, to Georgia. Check where the various papers were executed or probated or whatever. I follow your thinking, and I concur. I applaud.

Now the next step. Don't we have a widowed Elizabeth SKELTON in both Blount and Jackson counties of Alabama? Let me check. Yes, but that whole set of data appears unrelated to your folks. Now, the widow Elizabeth in Jackson County of Alabama. She was born in 1783, per the 1850 census of Jackson Co. And, of great significance, she says she was born in South Carolina. Obviously she is the mother of Sarah BERRY, with whom she is living. Quite nearby is John C. SKELTON. So is J. W. SKELTON. In the earlier census of 1840, in Jackson, they are all three on one page, #64. These all fit into your Bible records. This is your SKELTON family. Elizabeth COX of S.C. married Jonathan SKELTON in 1810 in Elbert County, Georgia. Glory be!

Do we still have a Jonathan parentage problem?

Sincerely, George
George Byers

Dear Helen and C.C.,

I have just mailed you a reply to Helen's happy letter about Elizabeth COX. Then I got to thinking.

There are so many similarities between your SKELTON colony in Jackson County of Alabama and the two SKELTONs in Blount County of the same State at the same time period, that I surmise the Blount County William SKELTON and Delilah (SKELTON) HUFFSTUFFER to be siblings of your John C., Sarah, and J.W. of Jackson.

Have you all studied William and Delilah? He was born in Georgia in 1810. In the 1880 census he says his father was born in Georgia and his mother in South Carolina. William married a COX wife, Charity Catherine, but in Blount County in 1835. She was born in South Carolina in 1816. Do your new COX discoveries happen to mention Charity Catherine? One of their sons was named Washington. (J. W.??? SKELTON in Jackson), per the 1850 census, but was entered as J. W. in 1860, correct age for Wash. In 1860 there is a near-by Elizabeth SKELTON, aged 73, born in Georgia, But in the 1850 census she was born in 1800 in Georgia, if I copied correctly. William and Charity named one son Jonathan, born 1854. William seems to have gone to Blount County about 1839/1840.

Delilah (SKELTON) HUFFSTUTTER (Henry) was born in South Carolina in 1814, per the 1850 census. Near her in Blount County in 1850 is one Frances COX, age 45, born in South Carolina, seemingly a widow.

I surmise William and Delilah to be the first and second children of Jonathan SKELTON and Elizabeth COX, married in Georgia in 1810.

I am aware that Jackosn and Blount counties are not very close together in Alabama. It is probable that the family of Elizabeth COX SKELTON migrated from Georgia to South Carolina soon after that 1810 marriage and the birth of their first child, William, in about a year. Then, about the time J. W. was born, sometimes reported as 1819 in South Carolina, sometimes in Alabama, the family migrated to Blount, where Delilah was married in 1832, and then part of them moved

-2-

on to Jackson. It could have been the reverse, as well.

Maybe the widowed Elizabeth moved around amongst her children in both Jackson and Blount. "Ladies" in those times did not always report their age exactly, you know.

Want to ponder on it?

Sincerely,

George

George Byers

And said Petitioners further represent unto your Honor, in consideration of the high price of cotton, the staple commodity of the county and the high price generally of lands at this time, that said tract or parcel of land will probably sell as well now as hereafter In consideration of the premise your petitioners pray that your Honor will in order that the object of said petitioners as aforesaid may be accomplished with such steps as may seem expedient.

JOHN SKELTON OF NACOGDOCHES - 1829

In the town of Nacogdoches, on the 26th day of the month of December 1829, the foreigner named John Skelton presented himself. In it he declared to be resident of South Carolina, one of the United States of the North, as shown by a certification of the neighbors of his residence and three more documents that were conferred in his favor for the services that he rendered in those countries the good. He declared it to be his wish to settle in this Town; and to be of the age of forty years; condition, married; occupation, school (?) master; religion, none by profession, but of that imposed on him in this country. And having by it taken the due oath as customary, he promised by it to guard and comply faithfully and legally with all the mandates of the Federal Government and particularly those of this state. For which constancy he signed it with me and Messrs. who compose this Ayuntamiento, that compose the said meeting, to which I certify.

points even much farther, including an area of several thousands of acres, most all of which was granted to them by the State, and such other portions as was granted to others, was bought by some member of the families named; so thus, as already stated, they owned practically all of the territory described, located on both the north and south sides of the Andersonville and Carnesville road, and drained by Crane's Little Lightwoodlog, and Holly creeks, and Caney, Tarkiln and Pole Bridge branches.

We have in our possession a copy of a plot of land granted to Robert Black in 1835, situate on Holly Creek, containing 551 acres.

At the time of Mr. Black's death, he owned a tract of land containing 123 acres, lying north of the old Hatton's Ford road, known as the Ussery and Crocker place, adjoining lands of Jedidiah Ayers, James Reed, and Mary Crocker. This place was later owned by James W. Leard and is yet known as the "Black Place."

From the records of Reed Creek Church, it appears that Robert Black united with the church by letter on June 21, 1835. He was a deacon, and when the property on which the church was built was deeded on the 23d day of May, 1854, by William O'Barr, he is mentioned in the deed as a commissioner of the church, along with Sterling Pinson, Michael Johnson, and Henry F. Chandler, the other commissioners.

The children of Robert Black, according to his will of record, consisted of three sons: James, Joseph and Thomas A.; and six daughters: Mary, Jane, Elizabeth, Susan, Emilee and Nancy.

We have no record who James married, but it appears that he died before his father did, as Robert Black in his will provided a legacy for Joseph William, George Washington, and James Robert Black, sons of James Black. We have no record as to who Joseph married. Thomas A. married Mary E. Smith. Mary married George W. Dyar. Jane married James L. Brown, Elizabeth married William Estes. And one of the daughters married William J. Dyar, and the other two perhaps never married.

Robert Black died in 1860 and is buried in the Black graveyard, situate on the north side of the Old Hatton's Ford road, just east of where the road crosses the Mary Ann Branch.

Bobo Family History

The forefather of the Bobo family was named Samuel Bobo, who came to Georgia from Union, S. C., during the Revolutionary War.

Tradition says that he came to the Tugaloo River, two miles above Andersonville, and swam his horse across the river and captured an Indian camp on the Georgia side. He also brought his wife with him, and that he made a canoe of poplar bark upon which he brought her across the river.

After he had located at the place where he had landed on the Georgia side of the river, he procured titles to the land, consisting of about 200 acres, more or less.

It is said that he made the trip on horseback to Augusta, which was then the capital of the State, to procure titles to the lands and that it required two weeks' time to make the trip, going and returning.

On the place, which still retains the name of the "Bobo Place," Samuel Bobo and members of the family are buried in an old family graveyard.

In addition to what we have said with reference to the "Old Bobo Place," we herewith reproduce an item that appeared in *The Hartwell Sun* years ago, which is as follows:

"One of the oldest settlers was Mr. Samuel Bobo, grandfather of S. M. Bobo. His house still stands and is in good condition yet. It was built of hewn logs, and located on the west bank of the Tugaloo River, a short distance above the old town (Andersonville). The view from this place is one of the most beautiful in the State of Georgia."

The old "Bobo House" has long since been dismantled and torn away. The view referred to in the above item is a long view down the river towards old Andersonville.

Samuel Bobo had three sons: Sampson, Dempsey and Lewis; and doubtless there were others whose names we do not have.

It is said that Lewis was scalped by the Indians while out hunting.

Dempsey Bobo married a Miss Enmond. To this union was born a large family of children. He moved, in his old age, to Alabama about the year 1875, where he died in 1882. We are not advised as to who were all of his children, but one daughter, Sarah, married Elisha M. Dyar; another, Millie, married Robert Richardson, known as "Shoe-maker Bob" to distinguish him from another by the same name. He had one son named Lewis Bobo, who also moved to Alabama in his old age.

Robert Richardson, known as "Shoe-maker Bob," was a very expert workman and followed his trade at Andersonville, and a number of young men served their apprenticeship under him and learned the trade. He moved to Alabama years ago.

The Walthour place on the Andersonville road, a part of which is now the home of Mr. O. G. Heaton, containing 200 acres was granted to Dempsey Bobo December 8, 1829.

Sampson Bobo, son of Samuel Bobo, married Elizabeth, a daughter of Burrell Bobo. To this union were born six sons: Solomon M., Jeptha, Thomas I., William, Mathew and Sampson; and four daughters: Susannah, Mattie, Mary E. and Dillie.

Sampson Bobo, at the time of his death, owned the "Old Bobo Place" of about 200 acres; also, the mill tract where he lived of about 300 acres, where he had a mill, gin and other machinery, which was destroyed by fire soon after his death. The place was later bought by Thomas L. McMullan. In addition to the two tracts of land mentioned, he also owned property in the town of Hartwell, designated as Lots Nos. 13 and 37. The property is now owned by Dr. W. I. Hailey.

Sampson Bobo was a charter member and one of the first deacons of Andersonville Baptist Church, which was organized September 6, 1839. Elizabeth, the wife of Sampson Bobo, died October 24, 1873, and he died October 26, 1873, age 67. His wife, Elizabeth, was 65 at her death.

They were both buried in the same grave in the cemetery at Reed Creek Church, the inscription on the marker as follows:

"IN MEMORY OF ELIZABETH BOBO, DIED OCT. 24, 1873, AGE 65.
"SAMPSON BOBO, DIED OCT. 26, 1873, AGE 67.
"BLESSED ARE THE DEAD WHICH DIE IN THE LORD."

? This Susannah is supposed to be d/o John Highsmith. There was also a James Highsmith who had a son-in-law named Benjamin Bobo (Will of James Highsmith pr. 10 Mar 1824 - Elbert Co, GA)

* If Sampson Bobo married the d/o of Burrell & Susannah Highsmith, then he married his niece.

It is my opinion that Lewis Bobo who died in Franklin Co. GA in 1793 was not one of Samuel (Sampson) Bobo's sons. He was a grown man (b. ca 1759) when Samuel began having children. I believe that Lewis and Samuel were both sons of Lewis and Sarah (Solomon) Bobo

Samuel lived on West bank of Tugaloo River, near Andersonville, GA. Buried in family graveyard on home place.

Jane,

Saw a message on the board about 3 weeks ago where you advised someone that you were a BOBO researcher, and I copied it and sent it to a NORMAN acquaintance who'd mentioned the BOBO name a time or two in conversation - it's not a name you easily forget! She's related to Lewis BOBO, b. 1794, SC who married Sarah "Sallie" NORMAN, b. 1796, Prospect, Union Co, SC (dau of Thomas & Judity NORMAN) and sired Thomas, John W., King David, Manly, Lucinda, Jason, Robert, and Margery. ~~I've suspected, from what she's found and what~~ I recall of my research of Gwinnett Co, GA, that Lewis is probably a ~~brother of Tillman BOBO, b. ca 1787, Spartanburg, SC, who lived in Gwinnett during the 1830s. Can you provide any information on this~~ possible relationship and other family info? If so, I'd like to put ~~you in touch by snail mail - Jerri uses a computer, but, unfortunately,~~ hasn't yet gotten up "courage" to buy a modem and join us on the boards. Will be anxious to hear back from you.

Cordially, John

Re: Bobo

Dear Ms. Nolan:

I discovered throughthe Piedmont Historical Society that you are working on the surname, Bobo. My mother's maiden name was Bobo.

I have looked everywhere for information on the family of Nathan Fowler (1823-1855) Bobo and Eliza Duke (1827-?) Bobo, his wife. Nathan's parents were Samuel and Ruth Bishop Bobo. Samuel's parents were Solomon and Mary (Polly) Potts. They were all born in South Carolina. Nathan died at an early age and it appears that Samuel either died or left South Carolina at an early age. I sincerely hope we are working on the same family and you can shed some light on Samuel Bobo and family.

I look forward to your reply. Thanking you in advance, I am

Very truly yours,

Bonnie Marsh

Dear Melanie:

What a pleasant surprise! Receiving your wonderful "care" package! The person I am trying to locate was mentioned in the different items from Union, South Carolina. The nicest surprise of all was to see we are near the same age. I was born Feb. 21, 1943. Almost all of the folks I have encountered so far in Genealogy have been well into retirement age. What can I expect, hub, living in a retirement capital of the world? Just kidding, it isn't that bad. I truly have met some of the nicest people through this. This started out to be a search for my family tree and has ended up an illness. I hope there is a cure! On Livingston Bobo, I just read something on that in the last few weeks. I have turned this house upside down this evening trying to locate it but if it is just another statement by someone with no documentation I will try and locate it at the University of South Carolina at Columbia. I am going to Hilton Head the last of May and plan to take several side trips to Columbia and Union, S.C. What ever is available at either place I will obtain copies for you. I notice you have written on a computer. Do you have a genealogy program? Which one and do you like it? I have called this place in California three times now and left messages regarding a program for my McIntosh Apple II. They obviously are not very anxious to increase their sales. The program is called Mac-Gen. I hope you can read this, it is very late and my handwriting can attest to it. I think Livingston Bobo is in one of the items at the Mormon Church library here. They do not open again until Saturday. I'll check it out this for you also. Whatever it is I'll let you know. I really enjoyed your letter and your "care" packages and look forward to keeping in touch often.

Sincerely,

Bonnie

-over

If there is any other info or documentation I can possibly obtain for you while I am in S.C. let me know and I'll give it my best shot. We have a friend that lives in Columbia and he can't tell us enough good things about the availability of different historical matter at USC.

PH> I have NORMAN family lines from Virginia (Northumberland,

PH> (now WV) in late 1700's early 1800's. Some went to Wilkes Co., NC;

PH> Are any of yours in this time and place frame??

Hi Peggy,

Certainly sounds like we could be talking about the same NORMAN family, but I have to tell you that it's not me investigating them. NORMANs married some folks in my lines, and I kept running into that name. Then, entirely by accident, I encountered Sarah Geraldine "Jerri" (NORMAN) RITTER, Rt 2, Box 356-B, Ada, OK 74820; phone (405) 436-5223 or 436-2031. As I've said on this net before, Jerri is a virtual walkin' encyclopedia of information on NORMANs in the southern U.S.! She and her husband are also two of the very nicest, down-to-earth folks you'll ever encounter - I stayed with them for 2 days during my recent trip "back east" (to Arkansas and Oklahoma). She has a whole room FULL of of genealogical data, pictures, etc. Unfortunately, I haven't talked her into adding a modem to her computer yet, so our correspondence is strictly via snail mail and voice over the phone. Incidentally, during the Northern Arkansas Ancestor Fair on June 4th, Jerri introduced me to a NORMAN cousin who also lives in Phoenix and is just gettin' started in diggin' up roots. Her name was Mary Ellen KING, but I don't have an address or phone # - hopefully she's in the book.

The NORMANs who married brothers & sisters of folks in my direct line appear to all be descended from George NORMAN (b. 1710/1720, MD or VA; d. 1796, SC) m. Margaret DODD, dau. of William DODD and Catherine NEEDERMAN. Their children were David NORMAN (m. Martha STOREY), Jonathan NORMAN (m. Sarah Martha "Sallie" BOBO), Robert NORMAN (m. Alcy DODD), Thomas NORMAN (m. Judith ????), John Alexander NORMAN (m. Mary A. RAY), George NORMAN Jr., Jane NORMAN (m. David FLOYD Sr), Elizabeth NORMAN (m. Enoch FLOYD Jr), Mary NORMAN (m. Edward GORE - this is the line of V.P. GORE), and Lydia Irene NORMAN (m. Thomas BOMAR). I know that Martha was a Quaker ousted from the church for marrying "out of unity" (George was a Baptist) and that she and George sold their land in Loudoun Co, VA and moved to Union Co., SC about 1758. David and Martha's descendants moved to the northern Mississippi counties of Marshall, Alcorn, Tippah, & Tishomingo. Robert and his family moved to Illinois. John Alexander died in SC, but Mary and their children moved to Bedford Co, TN - this is where much of my family comes from. She may have accompanied Jane and David FLOYD Sr, as they also went there and are buried in the Old Flat Creek Cemetery in Bedford Co (They died the same day and are buried in the same grave). Elizabeth and Enoch FLOYD Sr also went to the same area, as did Mary and Edward GORE. Later generations of the Tennessee residents scattered mostly, to my knowledge, anyway, to Texas (bunches of 'em in Van Zandt Co), Arkansas, and Oklahoma.

I hope this is enough to pique your interest. Jerri can add tons of detail to the little bits of info I have; you really should contact her. She loves sharing family info, too, and is a prolific letter writter; I'm sure you'd enjoy corresponding with her. If I can answer other questions, Peggy, I'd be thrilled to, and I'll be really anxious to hear what you learn. Best wishes and warmest regards,

John

Dear Marian,

None of these names really "ring a bell", but then I have Norman's in AL and GA, that I don't know anything about. They were from Union Co, SC.

I've got almost 23,000 people's data in my database, which is abt 8,600 families.

My other Norman's were in Bedford, Lincoln, Marshall, Lawrence, and Hardin Counties, TN, on the most part. Most of Alexander Andrew Norman and Cynthia T. Hill's kids marr. in Lincoln Co, TN., before they and MOST of their 12 kids moved to Vanzandt Co, TX. "Andy" was b. 1797, Union Co, SC. His son, Green Hill Norman, b. 1825 MS, d. 1903 AR, marr. Eliza H. Rosson, who are my 2nd grt grandparents. Green and Eliza had 3 sets of twins, among their 13 children.

Alexander A. "Andy" Norman is son of John Alexander Norman and Mary A. Ray. John A. is s/o George Norman and Margaret Dodd, who marr in 1756, in Loudoun Co, VA, several yrs before moving to and settling at Cross Keys, Union Dist/Co, SC.

Would love to swap/share data with you!!
I also have fairly complete lines of other Norman's, that I haven't been able to connect to mine, yet!

John,

Thanks for all the "goodies". I see that Edgar is still working on the DOWNING's, and CYPERT's!! I gave him all my Downing data, abt 3 yrs ago. But he's gone back, even further, I see.

Tex and I have decided that you just won't "do", as a cousin, anymore. We've decided to "adopt" you, as OUR brother!! We love you, and I know that you know that, but can't say it often enough. Life is far too short! Sure wish June would hurry up and get here, so we could visit!

Did you see the msg from our new BOBO cousin, Melanie Nolan? Sure wish I'd known about her all those yrs that I lived in Houston!!! She sent me such a beautiful message, that I cried! Wish I could put words together, like she did! (In tribute to our ancestors.) I was also smiling, and Tex read it, too. Poor guy! He'd do just about anything, to see me smile, again. I know he's awfully worried about my old "bum ticker", due to being under so much stress, for so long a period--with no relief in sight! Can't stop thinking, so TRY to sleep, just so things can calm down! I'm a survivor, so I'll be fine. The Man Upstairs, takes care of me.

Love,

Jerri

Dear Cousin Melanie,

How wonderful to know we're related! And that we've found each other, via this wonderful BBS! Isn't technology great?! A month ago, I was so frustrated, trying to learn how to work this thing, and now, I "dood it".

You certainly paid a beautiful, wonderful TRIBUTE to our ancestors, with your words, in this message. God Bless you. If I live long enough to get there, I'll enjoy the "fruits of their labors", by living there, and someday, being "planted" there. Probably in Rosebank Cemetery, with so many of our other relatives.

Can't hardly wait to get that unpublished booklet from you, on the Pearson's of Flat Creek. Mary L. (Pearson) Turpen still lives in Shelbyville. She married a desc. of John Finney NORMAN and wife, Milly HUBBARD, of Flat Creek. Jess Dew, Jr lives in OKC. He's 75, come July. He's a direct desc. of John and Milly. Turpen is also spelled Turpin.

When we get moved, you'll have to come and visit us, and stay a while!

Jess Dew had already told us about the wonderful food that Miss Mary Bobo serves, and said that we just HAVE to go meet her, and eat there.

I also have data on Elijah Watson PEARSON and his family, that is published data. If you don't yet have this, I'd be glad to send it to you!

Would also like to have your lineage, too.

Hi Bill,
George Norman was born about 1710/1720 probably in MD but more likely in VA. He was in Virginia, Loudon Co. in 1758 and was in Fairfax Co. in 1756 when he married Margaret Dodd. In 1771, they had moved to Berkley Co. SC and in 4/May/1772 he received a 250 acre land grant at Cross Keys, Union Co, SC.

Margaret Dodd was born by 1735 in Fairfax Va. The Quaker church kicked her out when she married George. Later, their son David, helped to start the Padgett's Creek Baptist Church, which still holds services.

George and Margaret's son Jonathon Charles NORMAN b. 1760/1769 in Loudon Co. VA. He died in 1839 in Bedford Co. TN.

In the Pension records for SC it talks of WM. DODD. He was married to a Miss Jennings. They had six children. I assume that she died for later he married Catherine Neederman and had five more children. I know no other information about Catherine except that there was a John Neederman in Union Co. Guess he was a Brother/Cousin/Uncle.

I do know that Wm. DODDs son Jesse was born at "Fort DODD".

Hope this helps and if you run across anything new, please keep in mind.

Best wishes,
Teresa

Anna,

That was beautiful, and so sweet. I love information like that.

I have enclosed ancestor list. I know nothing about Norman and Bobo from Rebecca Norman and Charles Jones backward. So anything will be appreciated. Mine all headed for Tenn and then Ark, and I think a Norman brother went along with his family, too.

I just picked up on the Bobo line a couple of weeks ago.
Please send what you want, and I will happily reimburse you for expenses.

Let me know if you want any of my lines, and diskette size and file format.

Warren H. Cooper, son of John Cooper, and Abigail Bobo, b. between 1796-1800 in Union District, S.C., d. August 26, 1837, Fayattte County, Georgia, m. Mary (Polly) Wright Twitty, June 5, 1822, Marion County, Mississippi. [Marriage Book A, Page 235] Mary Twitty, b. 1803, GA., d/o George Wright Twitty, Sr. of Lincoln and Walton Counties, GA. After Warren's death, Mary W. Twitty Cooper married William T. Hightower, January 12, 1843, Fayette County, GA. [Mariage Book B, Page 243, Fayette Co., GA.] Mary W. Twitty Cooper was still living in Marion Co., MS in 1880. [1880 Federal Census of Marion Co.,MS, House 346; Family 346.]

Children of Warren H. Cooper & Mary W. Twitty: Sarah D. S. Cooper, John T. Cooper, Nancy Catherine Cooper, Richard Emory Cooper, Orry Coope, Amanda H. Cooper, Mary Cooper.

Children of William T. Hightower & Mary W. Twitty Cooper: John Quincy Hightower. John Quincy Hightower married (my grandmother) Rebecca Cothern. Rebecca Cothern Hightower after the death of her husband, married my grandfather John W. May.

I have additional information on the children of Warren H. Copper & Mary Twitty. Would you like a copy???

Now the confusion! When Rebecca died she was listed in the the OBIT as Rebecca Cooper Cothern. Where the Cooper came from is a puzzle. My Father said that Rebecca was the daughter of Elijah Cothern, but we have not been able to verify this. Elijah Cother married several times in MS. Can you add any information to the Coopers?

Other names that we are researching in MS are Alexander, Boyd, Cothern, Rutland, Dunaway, Williams, just to name a few.

Looking forward to your reply

Does anyone have any info on Mary BOBO who married in 1771 to Jesse DODD b.c.1746 VA. They were believed to have lived in SC and perhaps died there. Jesse DODD's parents are William DODD and Catherine who were from PA. Jesse's siblings: Ann, Jane, Edward, Margaret, Lydia, and Thomas. Hope to hear from some BOBO researchers - I'm researching DODD. Thanks. Jane

Clark and others:

Recently I've had several requests for data on the BOBO line. I will now post 4 generations of the line as I have it. I'll be happy to answer any questions or compare data. BOBO here is as it relates to a collateral HAYNES line in GA and SC mainly. I've also posted here data on Mary BOBO (3 of them) from a Focus List. It appears I do not have the Mary you are lloking for since none of mine are married to James GILLESPIE.

MMMM

John and Frances (X) Newman, both signed.
This is significant in that the BOBO family, the SKELTON family and the Jasper HAYNES family were all living in Culpepper Co., VA during the same period..In 1785 we find all of these families living in SC in either Union, Pendleton or Spartanburg Districts.
Records show that Moses Haynes, son of Jasper and Lewis Bobo were members of the Padgetts Creek Baptist Church at the same time prior to his moving to Elbert (now Hart) Co. Georgia. The youngest son of Jasper was William Haynes who had a son Thomas N. Haynes born in 1805. Our Thomas Haynes was born in 1805 in South Carolina and is believed to be the same person. Further research is needed for confirmation.
One other clue is the above tract of land was initially granted to Absolom Wofford. About 100 years later a tract of land known as the "HAYNES Tract" was sold by Thomas Haynes and his heirs and one of the witnesses was Isaac WOFFORD, Jr.

Samson Bobo, born in France, came to America with his brother Lewis and possibly others prior to 1762, moved from VA to SC about 1771. First SC record shows that Sampson was given a grant of land on Tyger River, Feb 11, 1773, lived six miles from Cross Keys, Spartanburg Co., SC. In Spartanburg Court, June 1785 he was listed as overseer from Blackstock's Ford on Tyger River to Musgrove's Mill on Enoree. He was certified for military duty in the American Revolutionary War, May 11, 1776, after the fall of Charleston and served in Brandon's Regiment. He aided in the founding of Padgetts Creek Baptist Church after the Rev War. In Claud Spark's History of New Hope Baptist Church,... is recorded the following: "A plat of 1081 acres of land, made in November, 1809, of which 620 acres were laid off for the widow of Samson Bobo, shows the approximate location of Bobo's Meeting House, it being situated about three-forths of a mile west of Cedar Shoal Creek and not far fron a branch. This location seems to be the place where the first New Hope Baptist Church building dwas erected." Near the location of the first church Horseshose Robinson hid from the British in the rock cliffs of Cedar Shoal Creek. The first house of worship was a very plain, loft building. Sampson died 17 April, 1804, buried Union Co., SC.

Nevil Holcomb was my ancestor's brother, both sons of Benjamin Holcomb(e). I suspect that Nevil's first wife was a Bogan, and that is why he received one shilling. Nevil Holcombe married Laodicea (Dicey) Bobo, and I believe that all children were by her. I descend from Jesse Holcombe who apparently married Nancy Porter. Their son Jonathan married Unity Rook. Jonathan died in April of 1880, aged over 90. Our tradition says 93, the mortality schedule says 99. I think that he was not really certain of his age.

I sent your McJunkin book out in today's mail. I hope that you enjoy it.

Nevill Holcombe, now deceased, once mayor of Spartanburg, was a descendant of this Nevill and Dicey. There may be some information at the Methodist Archives at Wofford, as Nevill H., the mayor, was related to the Woffords of the College.

Dear Melanie,

Here are the copies of the information you asked for and I had told you about. I am sending Xerox copies of my working copies since, as I said in my first letter, I just have lost the momentum I once had in doing research and although I had PLANNED to type up these forms, I just haven't gotten me around to it. I hope you won't be offended, but it was send these or else wait until I get to it, and I just don't seem to get these things done now as I once did.

No, there was no way did you bother me in the least by writing. I am always happy to share anything I have for since I have no family who is interested in my work, I am more than pleased to pass on anything I may have of interest to anyone--regardless of the distance in relationship (OR EVEN LACK THEREOF). Unfortunately, I don't have the information in the more legible form I once did, or would put them into for sharing. As I said, I love the research, but am not too good at putting all my material into proper organizational forms. I am completely computer ignorant and perhaps if they had been around at the time I got into this and I were computer-wise, I would have my tons of material on computer. Now, it would take me the rest of my life to do so--first, I would have to learn computers, find the software I would be happy with, then, put it all into the computer. No way! thanx.

If you should want the names and addresses of some of the sources, I will be happy to send them, however, many are now dead and/or just not available. I was most fortunate to get in touch at a good time for me and they were most willing to share at the time. There is still a great deal of work to be done on the other children of Lewis Salmons and Mary Bobo.

Incidentally, I found a listing in the 1850 FC of Elbert Co GA, page 431, #999-*999, there is an A L Vail family and also listed is L Salmons, age 75, farmer, born in GA and a female, M Salmons, age 74 (?), born Ga. Of course, I don't know that this is Lewis and Mary Bobo Salmons, for they may have been dead by then, and I have absolutely no idea if there was any connection with the Vail family, but this is in my collection.

Speaking of my collection, I have a thick file just on the families of Lewis SHARPER Salmons, SON OF THE brother of my Elizabeth Salmons Ward, from the people I met in California. It is much, too much, to send you, but I will go through it and see what may be of interest to you. These families in California were fairly prominent for a time and the ones I was able to contact were very generous with their information which I was able to use to do further research. I have absolutely no contact with ANY of them now.

Most sincerely,

Elisabeth

TOM McNeely To Elizabeth Nowell 6-6

Excerpt from the MIAMI HERALD

CRESTVIEW -- UPI

Descendants of a colonial girl and a ship's captain who made theri for in old New York in the 17th Century, Wednesday claimed they are the ri ful owners of Hudson River property valued in the hundreds of millions of dollars.

Heirs of Thomas and Elizabeth Edwards, who now lives mostly in Florida, Georgia, Alabama and Louisiana, said they will hold a family reunion in Vidalia, Ga. July 1-4 to make plans to press their claim through legal channels.

Prior to the four-day Independence Day gathering, various segments of t clan will hold area meetings in Milton May 1, Tallahassee May 7-8, Crestview May 21-22, Jacksonville, June 4-5 and Orlando June 12.

Harry Booth of Crestview, family spokesman, said attorneys will attend the meetings to report on the status of the claim.

He said the claim dates back to the mid-1660's when Thomas Huel, who later changed his name to Hall, was granted title to a 77-acre tract along the Hudson River. It was said by old records to have been more than 2,000 feet in lenght and from 1,000 to 547 feet in width.

The property now is the site of the Trinity church, the Woolworth Bldg. and dock facilities, Booth said.

Halls daughter, Elizabeth, married ship captain Edwards in 1660 and they inherited the property with no lines or judgements recorded against it, he said.

Booth said title of the land was confirmed to the heirs in a proclaimatio signed by New York Gov. Francis Lovelace on May 26, 1673.

Booth said family descendants have obtained a copy of the proclamation an have been tracking down the possibility of a long-standing obligation due the heirs.

He said the land passed to Robert Edwards, son of Elizabeth and Thomas.

He leased to to John and Robert Cru[illegible] 1, 1778, for a consideration of "1,000 pounds and pepper corn yearly. Booth said the heirs have a copy of the lease showing the property was to revert to Robert Edwards' brothers and sisters along with improvements at the end of 99 years.

Hand written on back of articles:
"Joel A. Mawell married Miss Mary A Edwards, November 15, 1849.
Marriage recorded 18[illegible]
1867 - Page 255"

Grandfather and Grandmother Edwards

THE EDWARDS FAMILY

Alice Edwards Hayes was the wife of Butler Hayes and the mother, grandmother, great grandmother, and even the great, great grandmother of some of us, so I thought that her lineage would be of interest.

Alice was the daughter of George Crawford Edwards 8/9/1845 and Ella Landrum Edwards 1/14/1872. George Edwards was the son of William Henry Edwards 1805-11/25/1877 of Elbert County. He died in Woodstock, Oglethorpe County, Georgia. He was Ordinary of Elbert County from 1857-68. He was known as "Judge Buck" Edwards. He was first married to Elizabeth Burton 12/23/1828 (not our ancestor).

His second wife was Hannah Salmons (our ancestor) 1817-1883. She died in Toccoa at the home of her daughter, Ora J. Nowell.

William Henry Edwards was the son of Jesse Edwards and Martha McDaniel. Jesse Edwards came from Maryland, where he was born in 1762, to North Carolina, then to South Carolina, where he and Martha were married in the courthouse in Old Pendleton, S.C. Jesse was a revolutionary soldier, enlisting very young. Martha was a sister of Henry D. McDaniel, Governor of Georgia from 1883 to 1886. He died at his home in Monroe July 24, 1926. The present state capitol was built by Governor McDaniel with less money than was appropriated for it. When it was completed the capitol commission turned $86.00 back to the Treasury out of the $1,000,000 that was appropriated. Henry and Martha's father was Ira O. McDaniel, a revolutionary soldier. (These McDaniels are no relation to Mary McDaniel Hayes, wife of Hoke, but the late State School Superintendant, Dr. McDaniel, was a descendant of Henry McDaniel.) (we are celebrating the centennial of the capitol this year)

Jesse Edwards was the son of Jared Edwards 1740-1832, revolutionary soldier. He first married Susan Culpepper and came to South Carolina. His second wife was Rebecca Bell. Jared was the son of Joseph Edwards and wife Mary Ann. He (Joseph) was the son of William Edwards who was the son of Thomas Edwards, Sr.

Thomas Edwards bought from the Indians an unsettled claim of 50,000 acres lying along the Hudson River in New York, in payment for services rendered the British Crown during the French and Indian War. The Crown acknowledged the claim and made to Thomas Edwards absolute title. At the time of the Revolutionary War,

Thomas Edwards, although very old, was supporting the English government and became personally responsible for a large amount of wheat bought in New York for the British army. About this time, he died, and his son, Robert, administered the estate. At the close of the war, order having been restored, Robert leased certain property in New York state - 60 acres - for 99 years to settle claims to the estate. The lease was made to Aaron Burr and dated 1770.

Ms. Melanie Nolan

~~Hmble~~ Humble, Texas 77346

Dear Ms. Nolan:

You will probably recognize that I am one of the people listed in the BOBO NEWSLETTER OF Jan issue 1988 who is receiving a copy. I found your name in the QUERIES.

I am not directly descended from Levingston Bobo but I have worked on all the Bobo family since 1978 and devote just about all my waking hours to it. My lingage as I see it is: 1. Spencer Bobo and Eliz 2. Francis Spencer Bobo Sr. and Mary Judith Mason 3. Lewis Bobo and Sarah (Solomon) 4. Sampson(Samuel) Bobo 5. Dempsey (Demce) Bobo 6. William G. Bobo and Permelia Brown 7. Caska Rado Bobo and John Uriah Carroll 8. Charlsie Ola Carroll and C. E. Wilson 9. Frances Wilson and C. Edwin Smith.

I have a copy of the Levingston Bobo will where he died 1827, Spartanburg Co., S.C. Somehow I do not know how he ties in with the rest of the Bobos. Do you know who his parents are? I was wondering what your source was for the children of Levingston and Elizabeth Bobo? It is interesting that the allied names you have of Hiram Yarbrough, Gideon Woodruff and Tinsley are also found in the will: "Bond-Hiram Yarbrough-administrator with Isaac Tinsley and Godeon Woodruff. ...Inventory of the Estate --Tillman Bobo, Absalom Bobo, J. Tinsley". page 32 of BOBO COUSINS BY THE DOZENS by Herbert Newell and Jeanie Patterson Newell. Also from the same book page 58 the children of Edward Bobo and Sarah Frances Yarbrough lists among other children one names D. Philadelphia which is an unusual name.

There is a descendant of Foster Bobo who is also doing research: William B. Bobo, 511 Harbinson Avenue, National City, Ca. 92050. He did not know Elizabeth Ann's wife of Foster Bobo, maiden name. William B. Bobo is a son of William Purvie Bobo, and grandson of Charles Edwin Bobo, and great grandson of Foster Bobo and Eliz. Ann Tinsley. You might enjoy contacting him if you have not already.

I would welcome any material on the descendants of Levingston Bobo and Eliz (?) that you are willing to share with me. I would be glad to pay for the copying.

I will look forward to hearing from you.

Sincerely,
Frances W. Smith

Ms Melanie Nolan

Humble, Texas 77346

Dear Ms Nolan,
At the rate our correspondence is going we'll be working on the Bobo family forever - I wrote you 2 Feb 1988. you answered 27 Feb 1990 - + now I respond - ~~I've~~ regret I've been so slow thanking you - I've been seriously ill + all research stopped the this spring -
I don't know if you've had contact with Mary S. Rowlinson, 1563 Brunnen Rd, Columbia, S.C. 29206 - She did a book on Walter Stewart - His 2nd ~~was~~ wife was Isabelle Bobo b 1772, many days well wrote work. In 1840 Spartanburg Co. SC there is a Elizabeth Bobo = 1 f 60-70, 1 m 30-40, 1 m 10-15.
I wonder if this Eliz is the wife of the deceased Livington Bobo? - She would be born 1770 - 1780. I would think his age would be in that range also.
The close connection to Silliman and son Absalom + brother Spencer Bobo to Livingston make me wonder if he is also a son of Spencer Bobo + Nancy Berry Bobo. Who are you thinking his parents could be?
= There is a Silman B. Bobo b 28 Feb 1790 m - Katherine King 2 Aug 1807 Spartanburg Co SC they moved to Rutherford Co Ga. I have

extensive records on this family. There is also a Spencer Bobo in 1830 census in Gwinnett Co Ga - he was born 1790-1800
a Simpson Bobo appears in 1835-36 in Gwinnett Co. records. Guess will never be able to place the early Bobo people but these seem connected somehow to Spencer + Nancy Berry Bobo -

Could the Edward Bobo b 1817 in "Bobo Cousins By the Dozens" (Newell) p 58 be a son of Livingston + Eliz - Bobo ??
Edward married Sarah Frances Yarbrough - a sister to Hiram Yarbrough who married Sarah Bobo - dau of Livingston + Eliz - Bobo.

= I welcome any and all Bobo data you will share with me.

Thanks again for writing to me.

Sincerely,
Frances Smith

Dear Mrs Nolan,

It was exciting to me to receive your 19 April 1993 letter and the copy of your manuscript on the early Bobo family. You write and express your thoughts clearly. Thank you for sharing this with me. It's fun to try to put the big puzzle together. Much remains unknown and genealogy is pretty much unscientific - yet I'm intrigued and spend much time working with it.

= There is a Mrs. Violet Henry, 5334 Scofield, College Park, Ga 30349 - phone 1-404-762-5222 - who is descended from Tilmon B + Katherine (Catherine) King Bobo. She has done a good bit of Bobo research -

= Yes I've had contact with Mary Rawlinson who is a wonderful researcher.

= I have done a good bit of work on the Bobo descendants of Hart Co, Ga. Travis Parker published Pioneers of Hart Co Ga 1982 - Mrs Betty Sue McCrary, 104 Hypoint Street, Gadsden, Ala 35901 - phone 1-205-546-2303 - and I furnished him with the Bobo + Allred families

extensive records on this family. There

(2) material - There are mistakes in it.
History of Hart Co Ga by John Wm Baker
1933 has material on Samuel Bobo family.
He does not give the source of his information,
I took it as "gospel" originally but question
it now - however I do not come up with
a source or more dates on the Lewis, Sampson,
Samuel, James, Wm & Burrell Bobo names,
who appear in Elbert, Wilkes & Franklin
counties in early records - You are
correct about the discrepancies. Baker
lists the four sons - S. Lewis who died in 1793.
Dempsey (my line), Burrell, and Sampson.
I believe Sampson & Dempsey could be
brothers. Many decendants of both families
moved to Marshall Co. Ala and I have
fairly good records on them. I have
recently had contact with a person
who has worked on the many Bobo
Salman family - Mary was supposedly
a daughter of S. Lewis & Mary - Bobo
as well as a sister of Benjamin
& Hannah Bobo. Mary Bobo Salmans was
born about 1776 according to census record.
Benjamin Bobo was born 1785. He moved
to Floyd Co. Ga and I have a good bit
of records on his family. Thomas M Bobo
b. 1819 is believed to be a son of Burrell
but is not mentioned in Burrell's will.
Why?
= Mrs Elizabeth Ward Ramages, 6545 N.W.
Columbia Avenue, Lawton, OK 73505 -
phone 1-405-536-2201. Works on Salman
family.

Many Bobo seems to have a connection to the Woffard family in Halifax Co. Va records.
=I stand corrected – the only info I had was p 30 of Bobo Cousins by the Dozens by Newell's on the citation for administrator of Livingston Bobo estate. It is not a will. I appreciate your bringing that to my attention.
=Lambert, Newell, & Leonardo Andrea findings and conclusions or speculations of early Bobo people are helpful as well as your input. I wish I could see the names of the other 6 people who Robt Nash transported into the Colony in ~~19~~ 1700. Also more data as to the rules regarding how this was done. Did a person have to be 21 yrs of age to come? If so then this Gabriel would be born by 1679? Did Nash know or select the people whom he transported? etc.
= The Gabriel Bobo's will, 1789 signed - Prince Wm Co. Va p 31 mentions wife Eliz. (Newell's book). Also p. 30 Eliz Bobo's will signed 1813 Prince Wm Co Va. Are either of them the Gabriel Bobo & Eliz Spencer White Bobo you mentioned in your manuscript p1? The dates & people mentioned do not seem to fit. The Richard Bobo's will p 33 signed 1792 - 41 yrs old born 1751 – ?? Who are his parents?
= There are many land transactions of the Spencers and it would be difficult for me to know which Spencer transacted which land. Your accessment of them

(4) seem quite plausible to me as well as the 3 Absalooms. Have you had contact with Mrs Mary Thomas, 16260 Harbinwood Drive, Moorow, Ga 30260? She's done considerable work on the Bobo family. She is quite deaf so prefers writing to phone conversations. She is on the Solomon Bobo Jr. line (Lewis) = I hope we can keep in touch. I do appreciate the material you have shared with me.

Sincerely,
Frances Smith
